More Try For Little Miss Than For Miss Antioch

by GLORIA DAVIS

With the deadline for the Miss Antioch 1987 contest approaching fast, Friday June 26,

four girls have entered the contest.

Delisa Jones is 16 and a junior at Antioch High school. She is the daughter of Dian and Cheatham Jones.

Kimberly Pauly, 18, has just graduated from Antioch High School. She is the daughter of Richter and Elgene Pauly.

Dawn Kamradt, 18, is a sophomore majoring in journalism at the University of Marquette in Milwaukee. She is the daughter of Ray and Darlene Kamradt.

Danette Dowell is 16-years-old, a junior at ACHS and is presently working at Avantes.

Entries for the Little Miss Pageant are more abundant. Registered so far are Monica Lynn Long, daughter of Dean and Lynn Long; Jennifer Gussarson, daughter of Alan and Caryn Gussarson; Jillian Marie Klean, daughter of Gary and Roxanne Klean; Denise Colby, daughter of Lawrence and Theresa Colby and Danah Randhi DeBoer, daughter of Dennis and Cinde DeBoer.

Anyone interested in signing-up can pick up an application at the Parks Office on Main St. in Antioch or call (312)395-2160.

Keep Lunch, Music, Art At Grass Lake

by GLORIA DAVIS

In an effort to cut expenses and also please the school district's electors, the Grass Lake School Board has modified its cuts in school programs.

At the last regular meeting, the board approved cuts amounting to \$31,500, \$20,000 less than the drastic ones approved in March, drawing the anger of many parents.

The previous cuts eliminated the hot lunch program altogether. The revised cost modifications have the hot lunch program continuing (reinstating two full-time cooks) and raise the lunch fees from 80 cents to \$1 per day. (Students may purchase 5-day, 20-day and 40-day lunch tickets.)

The re-assessed March budget cuts that did away with one full-time music teacher, one full-time art teacher and one full-time remedial reading teacher, puts music at a 50 percent position and art and remedial reading at 40 percent positions.

With expectations of expenses being more than revenues for the fourth year in a row (despite the fact the individual student costs are \$1,000 below the state average), the board is going along with a petition from the electors and placing a referendum on the November ballot calling for a 50-cent tax rate increase.

Another step towards cutting expenses in the future was taken when the board OKed talking to both Emmons and Lotus Schools about a possible consolidation.

Grass Lake voted down a consolidation with Lotus School last year.

At the crowded meetings on the controversial cuts, parents had offered to pay for swimming lessons which were to be cut and the board also went along with that offer, approving lessons for grades one through five, with first through third graders, who will be taking lessons together, paying \$11, and fourth and fifth graders, who will be swimming together, paying \$5.50.

In other business, it was reported that there will be three school board positions open on the November ballot. Nomination petitions may be picked up at the school.

In final moves, the board voted to erect a fence along Grass Lake Rd. and buy telephone equipment that is expected to pay for itself in less than a year.

Pistol Jams, Foils Shooting

A 38-year-old Lindenhurst man was taken into custody June 14 after he allegedly tried to shoot someone and his gun jammed.

Charged with aggravated assault, reckless conduct, unlawful use of weapons and having no firearms identification card is Henry Kowalewski of 2407 Valley Dr.

Lake Villa Officer Jim Carter assisted Bert Metz of the Antioch Police Dept. in making the arrest at Fourth Lake Resorts at 7:56 p.m.

Police seized a Llama, blue-steel automatic pistol. Also assisting in the case were State Trooper Bruze Shimazo and Sgt. Dunn and Officer Jon Paret of the Lindenhurst Police Dept.

Destroyed By Fire

Home owned by John and Donna Barr, in north part of Fox Lake Heights, off of Grass Lake Rd. in Antioch Twp. was destroyed by fire on Saturday. Damages were estimated at \$40,000. Cause of fire is undetermined but possible electrical malfunctions are being considered. — Photo by Don Fechner

Carmel Students Merit Honors

The principals of Carmel High School announced that 10 Carmel students were recognized by the National Merit Foundation for outstanding performance on the PSAT/MMSQT from the class of 1987.

Kim Zych of Libertyville was honored as a National Merit Finalist for scoring in the top half of one percent nationwide on the PSAT/MMSQT and scoring comparably on the SAT.

Nine Carmel students were designated Commended Students for scoring in the top five percent of the

country. They are Julie Bowman, Jean Gertzke and Gene O'Brien of Libertyville; Gerardo Guzman of Wadsworth; Steven Hill, Wauconda; Nada Kojic and Jana LaSorte, Grayslake; Joe Polenzani, Lake Bluff; and Peter Schommer of Gurnee.

Schedule Classes

On Sunday, June 28, A Widowed Outreach Network meeting for the individual coping with the recent loss of a spouse, will be held at 2 p.m. at Condell Memorial Hospital, a subsidiary of the Medical Center of Lake County, 900 Garfield, Libertyville. It is open to the public.

On Monday, June 29, prenatal classes begin a new five-week session.

A tour of the New Life Center is included from 7 to 9 p.m. Registration is required but there is no fee. Call the department of public relations and marketing, (312) 362-2900, extension 5275.

Alumni On Parade

Mundelein High School alumni wave to crowd during parade down Hawley St. Saturday. Parade featured vintage cars from 1960s. Video-tape of assembly honoring MHS grads who served in Vietnam was

shown during weekend that capped off high school's 25th anniversary celebration. Grads were able to renew old friendships at alumni dance at Mundelein Holiday Inn.

Antioch High Student New Miss Lake Villa

by LARRY WITTNEBERT

An 18-year-old brown-eyed beauty won the Miss Lake Villa Beauty Pageant Saturday night, June 13, receiving her crown from last year's winner, Michelle Coskey.

Taking top honors was Susan Lapera, daughter of Joseph and Anita Lapera, of Lake Villa.

A senior at Antioch Community High School, Lapera has brown hair and stands five-feet, two-inches tall.

She plans to major in business administration at Bradley University.

Her favorite subject in school is accounting and her hobbies include snow and water skiing, swimming, softball and theater.

Her favorite star is Michael J. Fox and her preferred recording artist-group is Whitney Houston.

The person she would most like to meet is Lee Iacocca. She noted that her mother is the person she would most like to trade places with for one day because she is an ambitious, hard-working business woman.

Lapera stated that red is her favorite color and crab legs is her preferred food. "Jack and Mike" is her favorite TV show.

Besides winning the top title, Lapera was also chosen Miss Congeniality and received a trophy for that honor, as well.

First runner-up for Miss Lake Villa is 16-year-old, blue-eyed, blonde Melissa Ann Miedona, daughter of Stan and Peggy Ann Miedona of Lake Villa.

Standing five-feet, six-inches tall, Miedona attends Carmel High School for Girls and her favorite subject is math.

Her ambition is to become an aeronautical engineer and possibly to learn how to fly.

In her spare time, she enjoys snow and water skiing, tennis and swimming.

Her favorite star is Michael J. Fox and her preferred recording artist-group is V-2. "Family Ties" is her favorite TV show.

Her preferred color is yellow and her favorite food is pasta.

Capturing the crown of Little Miss Lake Villa was eight-year-old Rebecca K. Soffiotti, daughter of David and Deidre Soffiotti of Lake Villa.

Soffiotti has brown eyes and hair and stands four-feet, three-and-a-fourth inches tall.

The St. Bedes second grader likes religion the best in school and her leisure activities include dancing, tumbling and collecting rocks.

In the future, she plans to continue dancing, attend college and become a teacher.

Her favorite star is Sam on "Who's the Boss," and her favorite TV show is "Doubledare."

Her preferred food is steak and her favorite color is pink. The person she would most like to meet is President Reagan and the person she would most like to trade places with for one day is her teacher because she likes to draw on the chalkboard.

Meanwhile, members of the Miss Lake Villa Pageant Committee were Alyce Brownlee, director; Jean Coskey, secretary; Nikki Nielsen, Jackie Swenson;

Carol Loffredo, Laura Thiele, Lana Boreen, Diane Simpson, Holley Simpson, Vicki Neal, Lori McElmurry, Greg Werba and Dennis Walsh, ushers; and Kim Kalla, choreography.

Fran Horn opened the program with a stirring rendition of "America the Beautiful."

Fire Dept. Conducts Pre-Plan Interviews

Chief William Carney of the Antioch Fire Dept. has announced that starting this month, the Fire Prevention Bureau of the fire department will be conducting pre-plan interviews with business and industrial managers and owners.

The purpose of the pre-plan is to make available to the fire and police departments, Village Hall and Public Works Dept. Pertinent information on all occupied commercial and industrial locations within the Village of Antioch.

Using software donated by the Antioch Rotary Club, fire inspector Richard Frankson will interview each owner or manager of the business/industry to determine such information as owner, occupant, building dimensions, front and rear entrances and exits, alarm systems, sprinkler systems, business phone number, owners' phone number, type of occupancy, any hazardous materials on premises, insurance company and construction of building.

The information will be used to assist the department in knowing what to expect during regular inspections, if there is a fire, when there are changes in occupancies and

to assist when permits for remodeling are requested.

The entire software package for this special program and the computer were purchased with funds from the Antioch Rotary Club.

The program is intended to provide Fire Dept. members with more knowledge about the commercial and industrial areas it protects. Frankson will be working with village building inspector Chick Carstensen.

This is the second year the Fire Prevention Bureau has been involved in the gathering of such data. The bureau hopes to complete the project by summer's end. After all data is entered into the computer and verified, inspection, building permit and change of ownership data can easily be updated.

Assistant Chief Wayne Parthun of the Fire Prevention Bureau is asking for full cooperation of all merchants, store managers, owners and workers for this project. Upon its completion, the Antioch Fire Dept. will be one of a few Lake County fire departments having a complete fire pre-plan program. Parthun pointed out that this is significant considering that Antioch has a volunteer fire department.

Significant Dedication

In an era when real estate developers are almost universally scorned or at best looked upon as necessary evils, an unusual event took place Sunday, June 14, in Lindenhurst.

That was the dedication of a new park site, Nathan Hale Engle Memorial Park, named in honor of the founder of N.H. Engle & Son, developers of Lindenhurst and builders over the years of homes in Grayslake and other areas of Lake Villa Twp.

The late Mr. Engle and his son, Mort, now retired, approached the real estate development business from a much different angle than today's corporate entities that are headquartered, more often than not, in a far away city. The Engles started with a vision for a better community. Then they acquired land. Then they started building. At all times they were personally involved. Homebuyers with complaints could deal directly with the developers. The Engles were engaged in

developing and building for the better part of 50 years. They didn't throw up a tract and move elsewhere.

Now there is an Engle Memorial Park in Lindenhurst, 66 acres to be developed, the generous gift of a family deeply involved with a community.

Not unnoticed is the fact that a substantial portion of Engle Memorial Park has been earmarked for a potential educational facility. The park dedication has triggered a revival of thoughts for the establishment of a separate school district serving Lindenhurst and surrounding Lake Villa Twp. High school students in the community now attend either Antioch or Grayslake high schools.

There was at least one previous effort to establish a Lake Villa Twp. high school that failed. It will be interesting to see if the enthusiasm sparked by the new park will rekindle another try to "keep the kids at home."

Storage Site Raises Eyebrows

In a way, it is odd that the establishment of a farm chemical supplies storage site should become a public issue in a locality that is suburban in character. But that is exactly the case now that Lake-Cook Farm Supply is seeking permission to locate an agricultural storage site on a 13-acre parcel on Case Rd. near Rte. 12 in the vicinity of Island Lake and Wauconda.

Both communities are making legal inquiries into the siting question because the proposed storage area lies within one and a half mile limits of the villages.

Lake-Cook Farm Supply is a cooperative that serves farmers in Lake and Cook Counties. It also operates retail outlets for gardening and pet supplies, and runs bulk

petroleum and chemical sales operations.

Company officials are on record as taking all necessary precautions to guard against and prevent leakage and spillage problems, the major concerns voiced. The facility is being designed by an organization with experience in Illinois, Iowa and Wisconsin.

What's the fuss about? Just that we live in a time where anything that might impact on public safety or the environment gets a high priority of scrutiny on the part of both the public and elected officials. Ironically, if the surrounding countryside was sprouting corn and alfalfa instead of houses, there would be a clamor of support for the convenience of the storage site instead of raised eyebrows. It's the times we live in.

Getting 'Recall Word' Out

Park City council persons, unhappy with Mayor Virginia Kennedy, are pushing for a test of a recall action to oust the mayor. Since Illinois does not have a recall tradition or statutes legalizing the removal of an elected official through popular election before the end of the term, foes of Kennedy are acting under what they term their powers as a home rule municipality.

Aldermen have authorized City Atty. Rudy Magna, Jr. to draft an ordinance putting the recall proposition before voters this fall. If the voters approve the measure, the recall of Mayor Kennedy theoretically could be on the ballot next spring.

The recall action, which is legal in a number of states, is based on the principal of people power. Brought up from time to time in Illinois, it never has gained legal status for

fear that the power would be abused by the people, paving the way for capricious actions and leading to chaos.

As a practical matter, criticism of Kennedy seems to stem from the fact that her view of what's best for Park City differs from council members and some of the voters. "She's always against everything," one alderman complained. Ald. Sherill Tripp says Mayor Kennedy operates "too secretively." So far Kennedy hasn't been accused of breaking any laws.

By pressing for a recall, Park City council members definitely are plunging into unknown territory. Heretofore, only political science students in Illinois were acquainted with the recall procedure. Park City proponents for recall not only will have to change the law, but they will have to educate the voters as well.

Letter To The Editor:

Higher Minimum Wage

Editor:

I'd like to see you live on \$3.35 per hour.

You said most people working for minimum wage are single and live at home. Lots of those people have to pay room and board plus car payments and insurance.

A minimum of \$4.65 isn't being overpaid. Take a look at all the over-taxed people. Let's cut government spending.

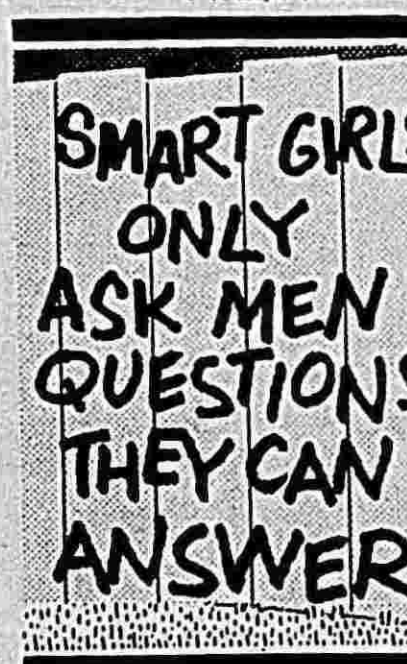

Our house taxes go up every year and I don't see you printing articles about that.

Let the poor people live. If it wasn't for them, you wouldn't have a job.

Big Band Era Forms Centerpiece Of Tourist Mecca

by BILL SCHROEDER

Maybe you've noticed. St. Louis is going all-out to promote its tourist attractions. The drum beaters are focusing on the heavily populated area of northeastern Illinois. Without making this sound like a commercial, suffice it to say the friendly river town has a lot to be proud of.

The lady of the house and your faithful correspondent had occasion to be in St. Louis briefly a few weekends ago for a newspaper meeting, and we got a small taste of the St. Louis style. Basically, the folks down on the Mississippi are talking about basics—good food, shopping, music, baseball, sightseeing, parks, etc. As a side thought about our Lake County tourist and recreation business, maybe that's what it's all about. Basics.

The point of this column, though, was one of the St. Louis attractions we encountered. Ballroom dancing! No kidding. During an after-dinner stroll along the levee, enjoying the sights and sounds coming forth from the many riverboats tied up (many permanently), we came upon the biggest and brightest boat of all where the sounds of big band era music were coming across the water. People of all ages were streaming toward the big boat, buying tickets to get aboard and heading for a huge ballroom where an honest-to-gosh 1930's, '40's and '50's big band was playing for—of all things—ballroom dancing. No generation gap. All ages were enjoying the music and dancing. Like a time machine, the ballroom with the traditional spinning mirrored sphere had scores of tables on both sides of a large floor with the bandstand in the middle. When the tune and tempo were right, couples would take to the floor for their fling. Uniformed musicians formed a centerpiece. Vocals were provided by two guys and two gals. They tried to recreate the famous old radio remote broadcast on a few numbers, complete with announcer with a finger to his ear and a singer with a megaphone. That wasn't necessary. They should have played it straight.

The sights and sounds of a sprawling ballroom filled with people dancing and listening to a big band were unforgettable.

Down the passageway, a Dixieland band was showcasing a mini cabaret revue. More old tunes, old jokes and old routines. When it comes to entertainment, I guess you often go backward to go forward.

BACKING SPORTS—If two partners in a restaurant aren't Lakeland's champion sports backers, they'll do until overruled.

Bob DiMico and Pete Lettecci, operators of the Gilmer Road House at Gilmer and Midlothian Rds., sponsor five adult ball teams and one Little League team. "We can't think of a better way to support our community and have some fun," explained DiMico.

Gilmer Road House has become the hamlet's major landmark since the brewery closed years ago.

LIFETIME TRIP—Robert "Bob" Wegge is on the trip of a lifetime—maybe the second trip of a lifetime. The Grayslake accountant and his wife are in Seoul, Korea, where he will be receiving a peace medal from the Republic of South Korea.

Wegge is among a small group of Americans who served in Korea who were invited to visit the country and be honored. Wegge served in the Army during the Korean War. "He wouldn't have missed the trip for anything," his daughter asserted.

Even though he's an experienced pilot, Wegge and his wife traveled by commercial air.

HALF CENTURY—Antioch Lions Club members are planning an extra festive summer to celebrate the 50th anniversary of their club. Lion Joseph Hunley has written a club history and the summer barbecue, always a highlight, will be devoted to recalling days gone by.

HAVING FUN—What does a retired fire chief do for fun? He takes a ride on a fire truck, of course.

William "Bill" Harrison, Sr., retired Round Lake fire chief, chuckled about how a visit to the fire station resulted in a ride on a new piece of equipment. "The boys asked me if I'd like to take a ride and I said 'Sure,'" exclaimed the spry Harrison, 83.

Harrison marveled at the new equipment and changes in fire fighting. He noted that he knew Round Lake's current chief, Paul Mapletorpe, as a boy who grew up in an Antioch family of firemen. "Paul learned from his father and he also had good training at Gurnee under Sam Dada," Harrison added approvingly.

Even though we've known Chief Harrison for more than 30 years, your reporter discovered something new about him. He's a train buff and enjoys traveling on Amtrak. Harrison retired as chief in 1963. He's also former road commissioner of Avon Twp.

ONE MAN'S FAMILY—Grandpa Schroeder's garden isn't standing fallow. Just about everyone in the family has developed a green thumb to make use of the plot tilled by Uncle Bill Meyer. Bob and his grandmother planted tomatoes. Daughter-in-law Lisa has some gardening plans, and Jill and Ralph are itching to get their hands in the soil. Talk about a family garden!

College Assists Firms In Landing Government Contracts

The Procurement Assistance Office at the College of Lake County has helped area businesses secure nearly \$700,000 in federal contracts during the past three months of operation.

The office, located within the Center for Economic Development at CLC, helps business and industry understand the general marketing procedures of the government and various requirements which must be met in order to secure government contracts.

According to Glen

Morgan, procurement assistance specialist, government spending is around \$400 billion a year. "That represents about 21 million different contracting actions," says Morgan. "Add state and local buying activity to the federal market, and you are talking about contract business opportunities of \$700 billion."

Because many smaller businesses do not have the staff needed for federal procurement procedures, they often miss out on contracting opportunities.

CLC's procurement assistance program can help a firm access the government marketplace, secure available solicitations and view past contract databases. These services are offered for \$40 per month.

According to Morgan, the office is presently connected with the Commerce Business Daily which produces over 400,000 advertised bids annually. "We are also tied into various bidding services which produce over 600,000 unadvertised bids yearly," Morgan said.

Plans for 1987-88 include the purchase of a state-of-the-art microfiche reader-printer, computer upgrade and additional on-line bidding services.

"With the increased bidding opportunities and equipment upgrade, CLC will have one of the most

extensive procurement bidding systems in the country," says Morgan.

As a result of its success, The CLC Procurement Assistance Office was recognized for innovative achievement at a conference held in Lansing, Mich., for

government marketing specialists.

In addition, the Illinois Procurement System, of which CLC is a part, has topped the \$100 million mark in helping Illinois business and industry receive government contracts.

Plan Alzheimer's Facility For Warren Twp.

Plans are in the works for a facility for Alzheimer's patients to be located in Warren Twp.

Warren Twp. Supervisor Bob Depke announced at the June Warren Twp. board meeting that the Ashley Group is planning to build the facility on Washington St. and Hunt

Club Rd.

Depke said the facility is one of the first in the nation.

Ashley Group's project will include 12 "cottages" for patients.

The group's site plan is on file at Warren Twp. Center.

Schaffer Supports Turning Welfare Into Workfare

State Sen. Jack Schaffer (R-McHenry County) has agreed to sponsor legislation that would move people from welfare into the job market and enhance efforts to collect child support.

House Bill 2853, which passed the House and is now before the Senate, is Gov. James Thompson's proposed welfare reform package. The proposal came after

recommendations by the governor's task force on welfare reform, which was created to examine public assistance programs in Illinois and recommend changes.

"It is evident that we need to stop the waste in our welfare system and convert it from an income subsidy to a jobs program. We need to provide the necessary support to help people make the transition from welfare rolls to payrolls," Schaffer said. "This legislation is aimed at moving our welfare system in a new direction."

The legislation includes incentives to work, ex-

panding employment opportunities, removing economic disincentives from working, a six-month extension of medical and child-care services for recipients leaving the welfare roll to take jobs, and development of grant diversion programs in which a portion of recipients' monthly checks would underwrite their salaries.

"This legislation also seeks to allow the state to collect more child support. The lack of child support is the single largest factor contributing to welfare dependency," the senator said.

Schools Staying In Touch

Schools from throughout Lake County are participating in the IN-TOUCH program (Illinois Network to Organize the Understanding of Community Health). The program is a joint effort between the Lake County Health Dept.'s Substance Abuse Program and the Northern Illinois Council on Alcoholism and Substance Abuse.

IN-TOUCH is designed to help students prevent drug and alcohol abuse themselves and among their peers. At a seminar at the College of Lake County, high school students worked on substance abuse prevention programs, funding application, and team action planning.

School that participated in the training were Round Lake Unit Dist. 116, Gurnee Elementary Dist. 56, Zion Elementary Dist. 6, Hawthorn Junior High Dist. 73, Highwood/Highland Park Dist. 111, Waukegan Unit Dist. 60, Grant High School Dist. 124, Warren High School Dist. 121, Mundelein High School Dist. 120, Mundelein Elementary Dist. 75, and Lake Zurich Unit Dist. 95.

Another two-day school team training seminar will be offered in October. For further information, call the IN-TOUCH office at (312) 223-6363.

Kruser Completes Insurance Course

William D. Kruser, commercial manager of the Grove Insurance Agency, Inc., of Fox Lake has successfully completed the Certified Insurance Counselors Agency Management Institute held at Sheraton-Normal.

The three-day insurance institute was one of five parts of the Certified Insurance Counselors Program offered annually by Professional Insurance Agents of Illinois.

After successful completion of all five institutes, covering all major areas of the insurance field and five rigorous examinations, Kruser will be awarded the Certified Insurance Counselor designation by the National Society of Certified Insurance Counselors, the nation's largest provider of professional insurance education.

Kruser and his wife Esther reside in Arlington Heights.

Medicare 'Super Cop' Eager To Enforce Law

When it dawned upon Congress that all efforts to keep the price of Social Security within reasonable limits are failing, reduction of fraud became increasingly necessary.

Of course, if all fraud were to be eradicated, it would have only a relatively minor effect. Our own system of entitlements implies that if you increase the amount, it helps you get elected. It can never be less because we put money into it and would never let them take it away. One giant step increasing cost of government was passage

would have to be changed. The use of DRGs, or diagnosis-related groups, was instituted for Medicare hospital payment. This amounts to roughly "one disease to a patient" reimbursement to a hospital even if the patient has other illnesses that had to be treated. In rare instances payment is made for part of the other illnesses.

The doctors for decades have had committees to keep costs down. They are interested in the patient first and so the rules are not considered strong enough. Tougher mandatory rules are now in effect. Hospital employees monitor each chart and list the diagnoses in the DRG manner and in the order they consider most important and put it in an "attestation sheet" for the doctor to sign.

Since some diagnoses have higher reimbursement for the hospital the order is most important. The doctor and the hospital must be honest because as the front of the chart states, there is imprisonment and as much as a \$10,000 fine for fraud.

In 1981, the government, to tighten up on fraud, appointed a super cop. He is Richard Kusserow who has law degrees and has served in the FBI and CIA. His job is to overlook all Social Security fraud, and that includes Medicare and Medicaid. He is an activist and sometimes admits that he has been ahead of the government. He doesn't believe in waiting for a complaint, but goes out looking for crime. Counting fines and

reimbursements, he believes his group has brought in \$12 billion in the six years that he has been "Inspector General" for Social Security.

Musings is interested in his assessment of doctors and his attitude towards them. In recent interviews, he said few do "naughty things." He isn't a doctor, and Congress may have a problem with the laws; he just enforces them. Of 412 categories of providers getting some type of sanction or fine, 69 were doctors. Of these, 16 were physicians convicted. In the last two years, there have been 30 million discharges.

It's confusing from these figures when these doctors committed their offenses, because it takes years for the law to wind its way through the courts. It would appear from the small number of convictions that

the inspector general is right about few being naughty. He's all cop, though, because he wants more snitches; he expects to do better in future years. As far as I can see, he hasn't said he wants hospital employee types to snitch on their employers, if such are dishonest. I am glad that he's rooting out the bad doctors, though few. Described as lean and mean, I'd like to see him at work on the dope traffic.

of the Medicare Act. It was not thought out too well. By assuming too much, it made sure that it would become too costly and the government would have to repudiate its promise.

The cost of medical care has a built-in increase factor. You can't stop the invention of technical or medicinal improvement that keeps people healthier or living longer. To effect less cost the rules allowing their use

TWENTY YEARS AGO: June 15, 1967

Village Engineer Frank Angelotti had begun preliminary work for a sewer lagoon required by the state to be completed by 1968.

The village got a new civil defense siren and it was tested successfully on June 10, according to Police Chief Jack Davis, when it's sound cleared the village streets during a storm.

John Horan, parade chairman for the planned Diamond Jubilee celebration, told participants that no candy, gum or advertisements would be thrown during the jubilee parade.

Dale M. Collins was chosen as 1967 Sequoia Queen from five A Club candidates by tv star Bill Cosby.

Mrs. Bernard Stadick was elected president of the Antioch American Legion Auxiliary. Mrs. John Horan, Jr. was elected first vice president, Mrs. Ralph Fields, second vice president, Mrs. Frank Kennedy, treasurer, Mrs. Edward Jahneke, historian, and Mrs. Bert Anderson, sergeant at arms.

10 YEARS AGO: June 15, 1977

Albert J. Palucci replaced Gene Paulausky as superintendent at Grass Lake Grade School. A school board member reported Paulausky had been receiving threatening calls and letters critical of his year's performance.

Employees, directors and friends of State Bank of Antioch Pres. William Brook and his wife, Janet, had a surprise party to celebrate Brooks' 40th anniversary at the bank.

Walter Koziol, retired president of Charmglow Productions, Inc., was awarded the Grove School Humanitarian Award for "his generous interest and continuous efforts to support the programs and work of the Grove School."

Pastor Bernard Fosmark and Carl and Louise Reichenbach were touring the Holy Land.

Vic McGuire, former Antioch High School drama student, was appearing with the Black Hills Playhouse in South Dakota in "Wait Until Dark" and "The Legend of Devil's Gulch."

Chris Ano, Antioch High School trackster, jumped six feet-four and three-fourths inches to top all other county high school tracksters.

Bonnie Litchfield was appointed marketing and training officer for the First National Bank of Antioch.

AARP To Install Officers

The Antioch Chapter No. 387 of the American Assn. of Retired Persons (AARP) met on Tuesday, June 9, at the Antioch Senior Center, with chapter president Sam Lombardo presiding.

Charles Youlden, legislature chairman, reported on current issues relevant to senior citizens in Illinois. New officers for the 1987-88 terms were elected. They will be installed on Tuesday, June 23, at an installation luncheon at Harbor Ridge Country Club.

The Antioch AARP chapter is planning a picnic for Friday, June 26, at Williams Park. Advance reservations will be necessary.

Academy Honors Zitkus

Lester A. Zitkus, son of Mr. and Mrs. Lester H. Zitkus of Antioch, has been named a United States National Collegiate Award winner in minerals land management by the United States Achievement Academy.

Fewer than 10 percent of all college students receive recognition from the Academy.

Zitkus, a student at the University of Evansville, was nominated for the national award by Jim Beyers, athletic director at the school. Criteria for selection include academic performance, interest and aptitude, leadership, motivation, citizenship, and recommendation from a professor or director.

Zitkus will appear in the United States Achievement Academy Official Collegiate Yearbook, a national publication.

Let The Music Begin

'A picnic is a wonderful way to begin an evening of music under the stars,' says Beth Ehlert, Ravinia Festival coupon chairman for Antioch. Coupons worth \$1 each may be used towards purchase of reserved seats and lawn admission. Books of 25 for \$20 and 50 for \$40 are available at over 200 banks and agencies throughout the Chicagoland area. For more information, call (312) RAVINIA.

Marina Owners Put In New Retaining Wall

by GLORIA DAVIS

A 306-foot steel retaining wall has been completed to prevent soil erosion at the seawall in the channel leading from Spring Lake to the Chain O'Lakes, in Antioch Twp.

Nancy and Robert Dogan, owners of the Spring Lake Marina, Inc., had the \$15,000 wall-constructed at the northern end of the

marina to enhance their restaurant, marina, campground complex and supply additional water and electricity for the boats parked there.

Permission to build the steel sheet pile retaining wall was received from the Dept. of the Army, Chicago Dist. Corps of Engineers last spring.

252 Enjoy Cotillion

Members of the Antioch Mental Health Assn. wish to thank everyone in the community who supported the Cotillion in any way by donating money, time or attending the gala held at Nippersink Resort on May 9.

The following gifts were given that evening

by Louise Vos, president. Grove School in Lake Forest was given \$10,000, Riverside Foundation \$4,000, and Lambs Farm in Libertyville \$3,000.

The evening was a great success. The entertainment of Lloyd Pedersen was, as last year, greatly enjoyed by 252 guests.

Churches To Present School

A vacation church school unfolds from 9 to 11:30 a.m. July 27-31 at Lake Villa Twp. Park, featuring stories, crafts and recreation for children in grades kindergarten through eighth.

Co-sponsors are Lake Villa United Methodist Church and Trinity United Methodist Church in Lindenhurst.

Deadline to register for the free school is July 6. To sign up, call Janet Bocox, 356-6577.

On Honor Roll

Brad Edward Korando of Antioch is listed on the honor roll at the University of Oklahoma-Norman for the spring 1987 semester. Students must earn a 3.5 grade point average, out of four points, to be included on the honor roll.

Engineering Grad

Timothy Anderson of Antioch has been awarded a bachelor of science degree in mechanical engineering from the Milwaukee School of Engineering. Commencement was held May 23.

Pre-TV Era Candidates Stood Tall In Saddle

Since 1952, television has emerged as the crucial link between political candidates and their voters. Both parties package their candidates in slick TV commercials emphasizing image over substance. Presidential aspirants are packaged, deodorized and sold like soft tissue paper. Please don't squeeze the politician.

That is why I appreciate the political advertisements of local candidates that were prepared without the assistance of professional hucksters. Here are some samples of political ads formulated by Lake County politicians.

1. In 1918, Jay B. Morse campaigned for the Republican nomination for Lake County treasurer. His election ad read: "Why I want to be county treasurer. Every man ought to have an ambition, and my ambition for many years has been to become treasurer of Lake County. . . Now, what voter could resist that appeal? The guy has always wanted the office. Let's not disappoint him!"

2. Arthur K. Stearns was a state legislative candidate in the 1918 GOP primary. The election was conducted in the midst of World War

Steinke On Politics

I (or the "Great War.") Stearns offered a four-point platform to the electorate: "1. 100 percent loyalty to the flag; 2. State aid to our boys when they come home maimed for life from the great war; 3. A new constitution for Illinois; 4. A fish hatchery for Waukegan to give us better and cheaper food." Mr. Stearns is my kind of candidate! He is a super-patriot, who understands the horrors of war and the necessity for a fish hatchery in Waukegan.

3. T.J. Stahl sought the Republican

nomination for Lake County sheriff in the 1926 primary. Stahl delineated 22 reasons why he should be nominated and elected. Here are the two major themes that Stahl emphasized in his newspaper ad: "5. He is for what is right and against what is not. . . 22. In every section of Lake County, T.J. Stahl's candidacy is being most favorably received. If he is chosen sheriff by the voters, he will be thankful; if not, it will be all the same to him." Mr. Stahl was a class candidate. When he lost the primary, he didn't scream "Look what you'll be missing. You won't have Stahl to kick around anymore." In addition, he was unique for an Illinois politician. He understood right from wrong.

to be one, please quit voting for him." "Murphy," I don't believe it! How could you try to con the voters like that? No wonder you never went to Washington. Your greatness revolves around the fact that you're the most astute politician in Lake County history. Your tremendous political skills transformed you into the finest state legislator in the country.

5. In 1982, State Sen. Adeline Geo-Karis, the Greek Goddess of Lake County parades, sponsored this newspaper commercial. It read: "Adeline Geo-Karis has a child-like faith in people. Her priorities are God, Country and People." Sen. Geo-Karis should be the sole recipient of the Political Profiles-In-Courage Award for the 20th century. How many U.S. politicians would have the guts to defend God, America and the people of this great nation? I'm impressed! Maintain your political courage, Geo. Among American politicians, you march to a different drummer.

10 Officials Each Win \$3,000

Ten Lake County assessing officials have been issued bonus payments of \$3,000 each for meeting certain standards of excellence in their assessing districts, according to Roger Sweet, Illinois Director of Revenue.

The 10 are Kenneth Larson, Lake County supervisor of assessments; Harry Pillman, Cuba Twp. Assessor; William Swanson, Libertyville Twp. Assessor; Uno Larson, Elia Twp. Assessor; Pat Morris, Waukegan Twp. Assessor; Steven Stanger, West Deerfield Twp. Assessor; Herbert Hanf, Zion Twp. Assessor; Irene Damm, Fremont Twp. Assessor; Gary Raupp, Vernon Twp. Assessor; and Pellegrino Santi, Deerfield Twp. Assessor.

The bonuses are designed to encourage excellence so that counties may be assigned an equalization factor of 1.0000.

"We've seen a substantial

increase in the number of counties which are receiving equalization factors of 1.0000 (as a result of the bonuses)," Sweet said. He noted that this year, 36 of Illinois' 98 counties have received a tentative factor of 1.0000, compared to only 16 seven years ago.

The payments are made to assessing officials whose districts have a three-year average level of assessment between 31.3 and 35.3 percent of estimated market value and have a coefficient of dispersion of 19 or less for 1986 (a coefficient of dispersion is a mathematical measure to indicate uniformity of assessments).

Bonuses are available to township assessors, multi-township assessors, and supervisors of assessment. Officials who feel they may qualify for a bonus should submit an application to the department of revenue within 60 days after the tentative equalization factor has been issued.

Chamber's RV Show Coming At Right Time

by CAROLYN HAMMOND
(312) 395-6081

It's on hot days like these that we realize how much technology has contributed to our comfort and well-being. Imagine trying to cope with this extreme heat

available at the door. Pie and coffee are included in the price of the dinner. These dinners are being held to "help support continuing work in the conservation field and (to) generate promotion of the great Chain

In addition, each Tuesday at 2 p.m. there will be a story hour and activity; movies will be shown every Wednesday at 2 p.m. starting June 24 and continuing through July 29. Advance registration is required. For more information, call (312)395-0874.

Baseball is still in full swing, although rain and the heat have forced cancellation of some games. Current standings as of June 14:

Boys' Senior League, Antioch Division: State Bank, 6-3; Vault, 5-3; Advertiser, 6-4; Hahns, 1-6. Fox Lake Division, Elks, 5-2; Cruise Tour, 5-2; Rabine, 2-6; Second Federal, 2-6.

Boys' Little League, National Division: First National Bank, 8-1; Galdine Electronic, 3-6; Baskin-Robbins, 2-8.

American Division: Lyons & Ryan, 7-3; State Bank, 5-4; White Hen Pantry, 4-7.

Boys' AAA, Division A: Plug Compatable, 8-4; Lake Co. Sheriff, 5-7; Antioch Jaycees, 0-12.

Division B: BJ's, 10-2; Raymond Chevy, 8-4; 855 Civic, 5-7.

Notes & News

without refrigerators, air conditioned cars, homes and offices, and even the lowly electric fan. Hip! Hip! Hooray! for progress!

Looks like the third annual RV Show sponsored by the Antioch Chamber of Commerce and Industry, to be held June 19 through 21 at the Antioch High School parking lots, has come at the right time. Everyone will be in the mood to get out on a lake or to camp somewhere in the shade of a big tree. Even if this isn't part of your financial planning at the moment, come on over to dream a bit and enjoy the food and entertainment. Gates will open at 5 p.m. on Friday, June 19, with a ribbon-cutting ceremony at 6:30 p.m. Admission is free.

And if it isn't hot enough—they're boiling fish! Just kidding, guys. . . the Northern Illinois Conservation Club will be hosting another fabulous fish boil dinner on Saturday, June 20, from 5 to 9 p.m. at Wasz's Playtime Resort, Channel Lake. Tickets are \$6 for adults and \$4 for children under 12. For planning purposes, advance tickets are requested, although some may be

O'Lakes area." Anyone who has ever attended one of Door County, Wis.'s popular fish boils can attest to how delicious boiled fish can be.

Meanwhile back at Williams Park Pavilion, 741 Main St., Antioch-Alyce Brownlee will give baton lessons for children ages five and up for six Fridays starting June 19. Three levels of classes--beginners, intermediate and advanced--will continue through July 31, with no class the week of July 3. Cost is \$20. For more information, call (312)395-2160.

A less strenuous activity, but not less important, will be held at the Antioch Twp. Library as the "Quest: Journey Into Reading" and the preschool "Read to Me" programs begin. To commemorate the event, the library will hold a balloon launch at 2 p.m. on Monday, June 22.

School Chiefs Back Deannexation Law

Gurnee area school officials are pleased with a bill sponsored by State Rep. Robert Churchill (R-Lake Villa) which would curb deannexation attempts.

"I think its an excellent idea," Warren Twp. High School Supt. Robert Shepherd said.

"I'd think I would have to be in favor of it," Woodland Supt. Dr. Marlin Meyer said.

The bill was presented in committee last week. Churchill sponsored the bill in the Illinois House of Representatives while Adeline Geo-Karis (R-Zion) was the sponsor in the Senate.

The bill would be in effect after a natural disaster hit a school such as a fire or flood or tornado.

Residents of Arbor Vista subdivision, after a fire hit Warren High in Gurnee, started a drive to deannex their subdivision from Warren and Woodland and join Libertyville High School

and Libertyville grade schools. The move was denied in January by a 5-2 vote by the Lake County Regional Board of Trustees.

WIU Dean's List

Sixteen students from the Lakeland area have been named to the Dean's List at Western Illinois University, Macomb, for the spring 1987 semester. They are Laurie McDevitt of Antioch; Sean Mason and Sandra Mauck of Grayslake; Kathleen Ilgner of Lake Villa; George Gilliland of Lindenhurst;

David Brown, Pamela Exon, Robert Fraser, Joseph Litney, Ruth Wollan and Stephen Sweeney, all of Mundelein; Valerie Nichols of North Chicago; Stephen Ptasienski of Round Lake;

Kevin Crampsie of Round Lake Park; Thomas Rapach of Wauconda and Jon Owen of Wildwood.

Walgreens Names Two To Vice Presidencies

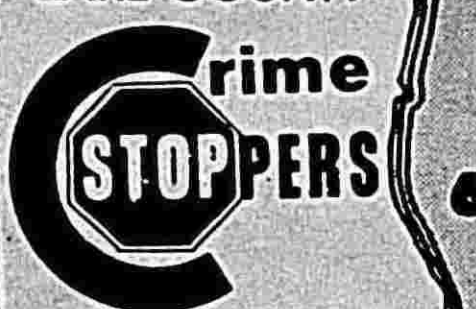

Two Antioch residents have been named divisional vice presidents for Walgreen Co.

Arthur J. Frey, formerly director-distribution centers, has been named vice president-distribution centers. Since joining Walgreens in 1949, he has held distribution managerial positions, becoming manager of warehouse

operations in 1974 and director-distribution centers in 1978.

Roger Polark, formerly controller, is now vice president-corporate accounting and corporate controller. Polark worked for Arthur Andersen & Co. in Chicago before joining Walgreens in 1977 as assistant controller. He was named controller in 1978.

Druktanis Enjoys CLC London Study

A Lindenhurst resident is one of four students from Lake County who spent the 1987 spring semester studying in London as part of the College of Lake County's London Study Program.

"I loved it," said Jessica Druktanis. "Best of all, I liked the availability of galleries and museums in London."

"Our classes were scheduled in the classroom, but we seldom stayed there. Instead, we would get on the subway and go see whatever we were studying that day."

Sponsored by the Illinois Consortium for International Studies, the program offers community college students a chance to spend a semester studying abroad.

Composing the consortium are Illinois State University and several Illinois community colleges.

Applications are now being accepted for the fall and spring London study programs. Fall program runs Aug. 27 through Dec. 11

while the spring version goes from Jan. 14 through April 30 with two, one-month summer sessions scheduled as well.

Besides studying culture "up close" and history where it happened, students get a chance to meet Londoners and other Europeans.

"It's easy to meet British people at the social events that are planned for us," said Druktanis.

"And we found it easy to organize trips. Once you are in Europe, it's easy to just pack up and go."

Students enrolling in the fall and spring semester programs are required to take 12-15 credit hours, with all credits transferrable and counting toward CLC graduation.

However, John Lumber, associate dean of the CLC social science division and coordinator of the London study program, is quick to point out that anyone who is interested in studying abroad can enroll.

"You don't have to be a traditional age student currently enrolled at CLC to go," he said.

"As long as you have completed 15 credits at any college or university with a minimum grade point average of 2.5 on a 4.0 scale, you are eligible."

For the 1987 summer program, participants range in age from 21 to 66.

Classes and field trips will take place Monday through Thursday, leaving students free for other trips and activities on the weekends.

Courses planned for the fall term include British culture and society, introduction to Shakespeare, Russian history and marriage and the family.

Spring course offerings will include art history II, cultural anthropology and international relations, among others.

Several optional weekend

tours will also be offered during both terms, including trips in the British Isles and trips to Paris and Amsterdam.

During mid-term breaks, tours to Russia and Swit-

zerland will be available. One of the most popular tours is a pony trekking trip through Wales.

Estimated cost for an

entire semester in London is \$4,769-4,850, including accommodations in London with breakfast for 15 weeks.

For an application and more information, call Lumber, 223-6601, ext. 532.

Judicial Court Office Wins Achievement Award

The Administrative Office of the Court, of the 19th Judicial Circuit, has been selected as a 1987 Achievement Award winner by the National Assoc. of Counties for its program, Automation of the Lake County Jury Commission. The award will be presented in Indianapolis, Ind. on July 11-14, 1987. Chief Judge Fred A. Geiger is tentatively planning on attending.

Automating the Jury Commission was undertaken in two phases throughout 1986 and became necessary as the number of jury trials increased each year and the work of summoning jurors increased correspondingly. By modernizing procedures and introducing computer generated summons and other forms, the current staff did not need to

be increased, but can handle the heavier work load.

Additionally, automation supplies better management information to the court administrator for more efficient administration of the commission and through new forms design and the introduction of a video orientation for jurors, presents more information to jurors than ever before.

It is the court's belief that, while citizens are obligated by their civic duty to serve as jurors, it is the court's responsibility to make that service as convenient, efficient, informative, and pleasant as possible. Automation helps the court towards that goal.

Keippel New Grad Of Sales Course

John R. Keippel of Fox Lake, Country Companies agent in the Lake County Agency, completed the companies' Business Insurance School.

The sales training course was conducted at the Country Companies' home office in Bloomington.

The business school is part of an advanced training program designed especially

for Country Companies agents. Agents are familiarized with various business problems, including retirement and disability or death of a proprietor.

Tax-sheltered retirement plans, business buy-outs, salary continuation and key

employee retention are also studied in depth.

Educators, Business Combats Illiteracy

Approximately 31,000 Lake County residents 18 years and older have completed less than eight years of school. Only four other counties in Illinois have greater numbers of uneducated adults. More than 67,000 residents 18 years and older have completed less than 12 years of school. This figure represents 21.6 percent of Lake County's adult population.

For business, the illiteracy problem in Lake County is significant. Although many people who lack basic literacy skills are employed, functional illiteracy now extracts an appreciable toll in business productivity, unemployment, poverty and human suffering.

On June 23, from 6:30 to 10 p.m., the College of Lake County will join 1,000 community, technical and junior colleges and school districts across the country to host the first national videoconference on adult illiteracy and its impact on the workforce. The program will be held at CLC's Grayslake campus.

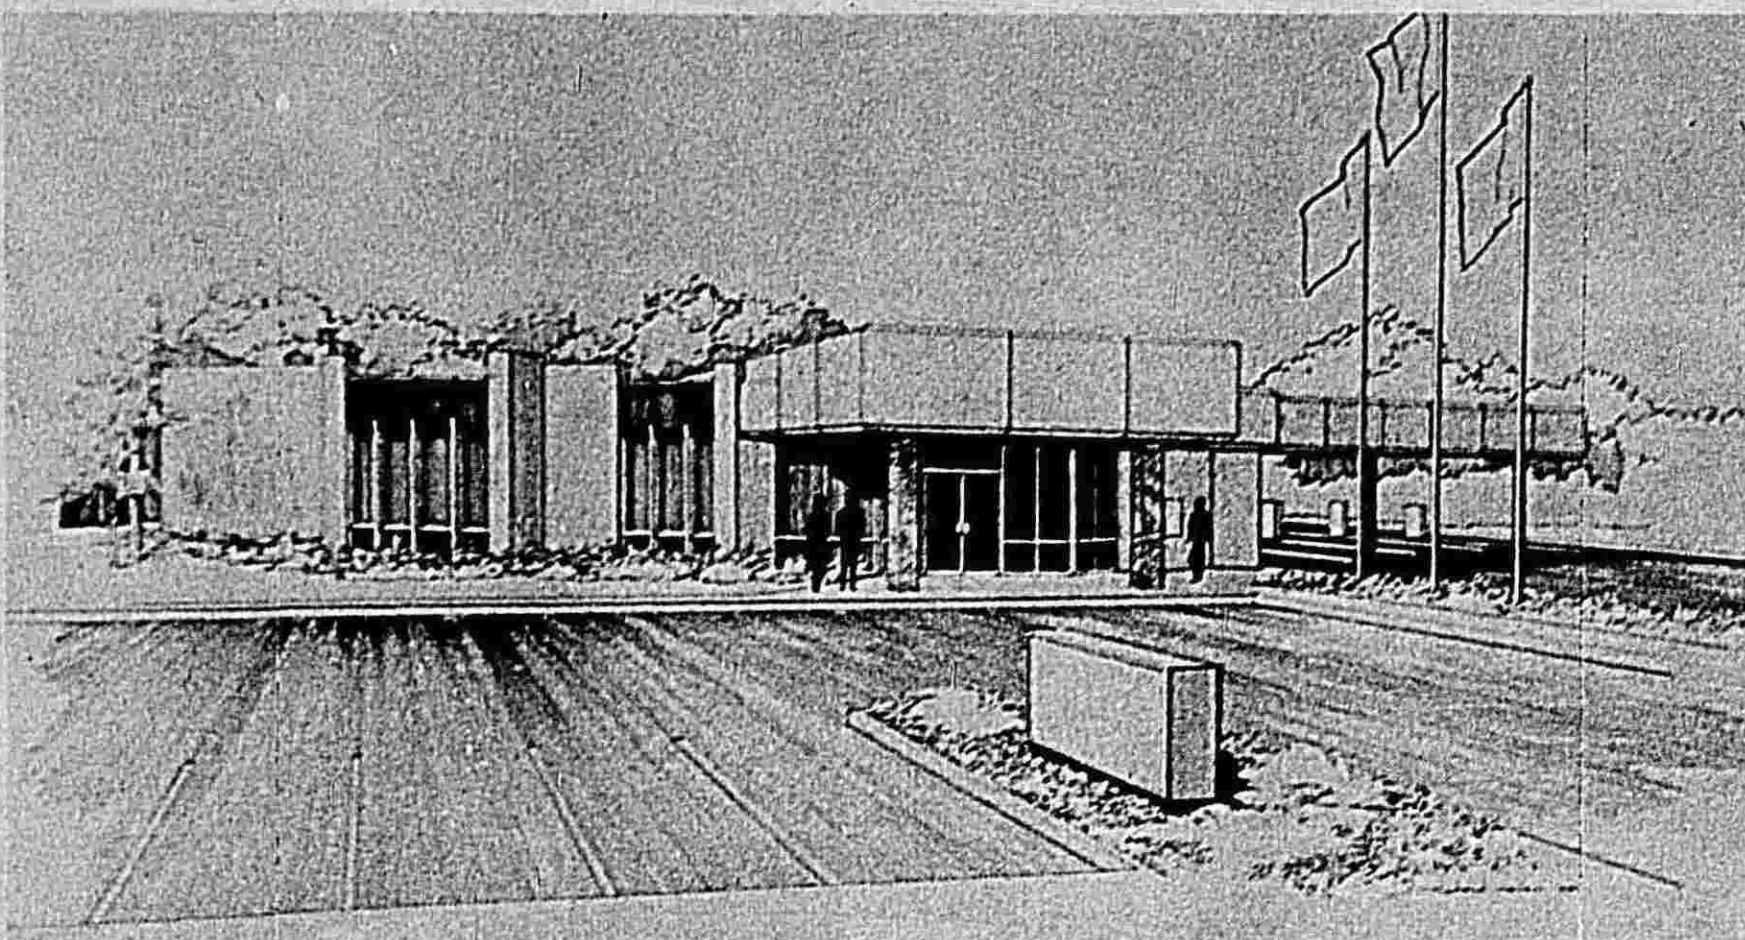

Joining college hosts will be community leaders from literacy action programs and leaders from business, labor, government and community groups who are

interested in reducing the number of illiterates in Lake County and across the country.

Some topics to be addressed are: the urgency of the illiteracy problem for the country's workforce, solutions to the problem, resources for literacy programs, and community college literacy programs and services. Models of exemplary state, regional and local literacy plans will be showcased.

The program will include small group discussions at several points. At those times, Lake County business and educational leaders will lead discussions on local illiteracy issues and solutions.

The videoconference is free and open to the public. Light refreshments will be served. For additional information or to register, call (312) 223-3616. Registration is requested by June 22.

New Bank

Artist's rendering shows the Greater Round Lake Area Facility of Fox Lake State Bank, with plans announced by William C. Buschman, board chairman of Fox Lake State Bank. The full-service facility of about 4,300 square feet will be located on a three-acre site at 24279 W. Rollins Rd., Round Lake Heights, east of Fairfield. Plans include eight commercial teller stations, lending and new accounts services, a 24-

hour automatic teller machine, four drive-through lanes and a walk-up window. Construction of the new facility is set to begin within 30 days and is tentatively due for completion by January of 1988. Ground-breaking is set for 11 a.m. Thursday, July 9. Of modern design, the building will be of cement and steel and when completed will resemble the exterior motif of the main office.

NICOR Sets Dividend

NICOR Inc. directors declared a quarterly common stock dividend of 45 cents per share, payable Aug. 1 to stockholders of record June 30, 1987.

Payment continues the annual \$1.80 rate per share established with the May 1, 1986 dividend.

Regular dividends for NICOR preferred and preference stocks also declared payable Aug. 1 were: 4.48 percent preferred \$1.12; 5.00 percent preferred \$1.25; 5.00 percent convertible preferred \$1.25; \$1.90 convertible preference \$1.45.

Landmark Offers New Luxury Homes

Landmark Homes announces the grand opening of Phase II at Meadowridge, a community of 26 semi-custom single-family luxury homes on 50 acres in northwest suburban Kildeer.

Sales already have surpassed expectations, according to Julie Carwell, director of sales and marketing for Landmark. "Eight homes were sold in the first four weeks at the new location," Carwell said. "It looks as though Phase II will be as successful as our first phase."

In Phase I, a 32-acre community directly west of the second phase, 24 semi-custom homes sold out in 10 months.

Nine floor plans and 18 elevations are available at the new community. The two-story homes, built on one-acre lots, range in size from 2,789 to 3,582 square feet and in price from \$286,600 to \$339,300.

Each home features four or five bedrooms, two and a half baths, three-car garages, custom woodwork and flexible floor plans. Carwell said construction of the new phase is scheduled to begin in June.

Focal points of the new community are a 16-acre nature preserve with a multi-acre lake, located in the northeast corner of the new 50-acre phase, an area which serves as a bird sanctuary for dozens of species.

"The grove and lake give Meadowridge an 'untouched' appearance that is difficult to find in most new communities," Carwell said.

"Mature trees in the forest preserve add a vital ingredient in keeping the surroundings of the area natural. We are following through with careful and extensive land planning at Meadowridge, and are proud of the environment Landmark has preserved."

Attention to detail, whether in landscaping, floor plans or interior design, assumes a special significance in the semi-custom home market since shapes and textures vary with each buyer, according to Carwell.

"Our research has shown that buyers of semi-custom homes want things that may not be important to buyers in other markets," she said. "Our sensitivity to their needs, in both the design of our homes and the natural environments in which we situate them, is what sets us apart from other developers."

Model 520, a 3,521-square foot, four-bedroom home at Meadowridge, presents numerous possibilities to home buyers.

One feature Model 520 offers is a large front porch, allowing some buyers to enjoy a view of the forest preserve. Other standard exterior features include shuttered windows and dormers, a six-panel front door with side windows, rough-sawn cedar siding, and refined columns supporting the porch which are covered by hand-split cedar shake shingles.

Model 520 was the

recipient of several awards of the 1986 Parade of Homes sponsored by the National Homebuilders Assn. of Greater Chicago.

According to Carwell, both phases of Meadowridge will total over \$15.3 million in volume.

Located on Krueger Rd., the Meadowridge sales center is a half mile south of Rte. 22 (Half Day Rd.) before Cuba Rd. Office hours are 10 a.m. to 6 p.m. Monday through Saturday, closed Sunday.

Mr. World Due

Mr. World, Larry Bernstein, will appear Saturday, June 20, at Chandler's Family Fitness Center, 2112 Grand Ave., Linden Plaza, Lindenhurst.

His appearance, set for 11 a.m. to 2 p.m., will include a weight-lifting demonstration and seminar. Refreshments will be served.

Modern Home

Landmark Homes' Model 520 features four bedrooms, an octagonal breakfast room and second-floor master bath, and a garden room with skylights, for 3,582 square feet of living space. Model 520, along with

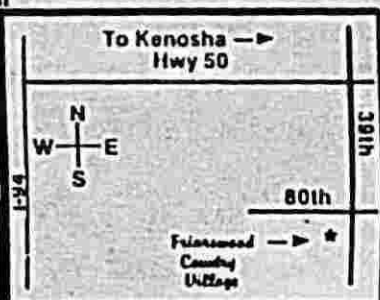

Landmark's nine other semi-custom luxury floor plans, is available at Meadowridge, a 50-home single-family community in northwest suburban Kildeer. The modern homes invite public inspection.

Grant's Kazlauskis Says Prep Athletes Changing

by STEVE PETERSON
Sports Editor

After 26 years on the job, one might think that coaching baseball should be a piece of cake for Grant's Fritz Kazlauskis. After all, with all those seasons behind him, surely he has seen it all.

But that doesn't take into account an important element in today's coaching - that the high school student of the 1980s is far more difficult to coach than the high school athlete of 10 or 15 years ago.

"Each year, it's getting harder and harder. They're too many things for kids to do. Now the kids ask 'why,'" Kazlauskis said.

And as the years pile up for Kazlauskis, so does the knowledge of baseball. But he knows that the game will always present new challenges for him.

"I played all my life but when I started coaching I knew nothing about baseball. Everyone thinks it is a simple game but they don't know the finer aspects," Kazlauskis said.

Kazlauskis was finishing another semester of grades in his familiar classroom at Grant - room No. 16 - while he took time to reflect on a career which started at

Grant in 1961.

"We had a lot of good players in the early 1970s. They weren't the most talented, but they did not want to lose," Kazlauskis, whose baseball teams have won eight Northwest Suburban Conference championships including 1987's, said.

Kazlauskis said one of the problems with the modern baseball player is one of goals.

"The kids in our area want to be on the top of the hill in high school but they don't look to the future," Kazlauskis said.

Kazlauskis has seen the mediocre as well as the player with the naturally talented player.

Over the last several years, he has had the pleasure of watching a group of talented players participate in several sports - baseball, football, golf and basketball.

"I've never seen a class dominate sports as much as they have. Mike (Kazlauskis's son) grew up with all of them and have watched them play since they were four or five years old," Kazlauskis said.

The group of Grant athletes - which returned the school to the state football

playoffs and won cross country, wrestling and football conference titles, capped off its high school career with a 22-11 baseball season and another NWSC title. Besides Mike Kazlauskis, Joe Vocke, Mike McDonald, Marc Borton, Garry Glauser and Kevin and Brad Frystak.

Fritz Kazlauskis

Kazlauskis's son, Mike, has enjoyed a banner year in all sports. His father said Mike was not pushed into sports - but enjoyed the sports that were in season: golf, football, basketball and baseball.

Mike will be attending the Air Force Academy in the fall and his father thinks he will have a good chance to play baseball there.

Besides baseball, Kazlauskis also coaches sophomore basketball at Grant - a level he enjoys.

Trophy Winners

Stu Short, left and Bob Moran, right, were trophy winners in first stop of Lakeland Newspapers, Coca-Cola and Penn tennis tournament. Moran, first-place winner, automatically advances to championship round. The next stop for tourney will be at Gurnee.

CLC Offers Tennis Summer Camps For Area Netters

A co-ed camp for students in junior and senior high school will be offered at the College of Lake County this summer.

The senior high school tennis camp for tennis players entering 10th, 11th or 12th grades begins July 20 and runs through July 31. The junior high school camp for players entering seventh, eighth and ninth grades will be held Aug. 3-14.

Each 10-day camp runs from 1 to 4 p.m. Monday through Friday at the Physical Education Center

on CLC's Grayslake campus, 19351 Washington St. The daily workout schedule will include warm-ups, small group instruction, beverage break, strategy discussion, scrimmage and evaluation.

Lance Laverty, coach of the CLC tennis teams, will direct the camp. Laverty, a registered professional, teaches racket sports at Oakwood Racket Club in Waukegan. His CLC teams have won several Skyway conference and sectional title since he began coaching in 1977. College age players

with varsity background will serve as camp assistants.

Campers will use CLC's five outdoor tennis courts or indoor courts in case of rain. Locker room space will be available to campers as needed.

Each session is limited to 24 participants. Cost per camper is \$55, \$100 for two campers from the same family including T-shirt, daily beverage and insurance. For registration and information call the CLC athletic department at (312) 395-6822.

Area Teams Experience Highs, Lows In '86-'87

So, the 1986-87 high school sports seasons are history.

New Trier made that official last week when it rallied to beat Mundelein 3-1 in Hersey's sectional softball championship.

Overall, the just past sports seasons certainly had their ups and downs for area teams. It's ups if you're wearing the Grant High School colors and downs for several other clubs.

Performances by Grant's sports team were indeed memorable. Football, basketball, wrestling, cross country and baseball all won Northwest Suburban Conference championships. Maybe that sign in the warm September night at the start of the football season that boasted of an NWSC crown hit the mark.

The Bulldogs went 9-0, steamrolling through the NWSC opposition. Johnsbury, whose fans packed the stands when the Skyhawks played Grant, was the only league contingent to score a single point against the vaunted Grant defense. Grant's team was saluted with a special section. Coach Bob Rogowski's historic team, though, was stopped cold 3-0 by Lake Forest in the first

round of the playoffs.

Warren's football team also had a memorable campaign, but the Blue Devils had a far tougher time making it to the playoffs than Grant. Warren started out 1-3, then had their practice facilities destroyed by a flood. Warren beat back those odds, winning a clutch game against Stevenson on the road and then beating Fenton to make it back to the playoffs. Warren lost to Belvidere, though, 20-8.

Overtime

Elsewhere in football, Round Lake and Carmel both notched winning seasons. For Round Lake, it was the straight winning season for a group of seniors. For Carmel, it marked the first time in 10 years wins outnumbered losses.

In volleyball, Antioch came away the winner in the Round Lake sectional, beating Grayslake in a rally. Carmel advanced to the

regional final but lost to Libertyville.

In cross country, Mundelein's squad won the NSC title.

In tennis, seven area players competed in the state meet.

Turning to winter sports, Grant once again stole the headlines in basketball and wrestling.

The basketball team blitzed through the league the same way the football team had. Included in the routes was a 109 point showing against Wauconda at home.

The Bulldogs were taken to overtime in the regional final against Round Lake, though, and were beaten handily by Rockford Boylan.

Carmel won its own regional, but found out that the third straight time to sectionals was not the charm. The Corsairs were eliminated by New Trier 67-51.

In girls basketball, Warren's team won its first ever regional title but was eliminated by Cary-Grove, which made it to the Elite Eight. Antioch won the Grayslake regional, but met its match against Libertyville in sectional play.

In wrestling, Warren, led by 126-pounder Jeff Chumbley, beat Libertyville for the dual match crown in the NSC tourney. The Blue Devils eventually finished third overall.

John Frecking and Scott Taylor represented Warren at the state meet. Also advancing were: North Chicago's Robert

Ellis, Antioch's Billy Eves, Grant's Brad Frystak and Johnsbury's Sean Kegal and Mike Lewis.

In spring sports, Grant once again dominated, this time in baseball. The Bulldogs finished 22-11, winning the NWSC title, but were upset in the first round of regionals by Warren. Coach Fritz Kazlauskas was named coach of the year and Mike Kazlauskas player of the year. Among NSC teams, Warren advanced the farthest, and the farthest including all area teams as well, winning two regional games.

In softball, Grant beat Warren for the Antioch regional crown but lost to Mundelein in the Hersey sectional. The trip to Arlington Heights was a long one back for the Mustangs - who came within six outs of turning their bus south to Pekin.

Now that the subject has been brought up, New Trier has been stopping area teams in playoff action. Last year it whipped Grayslake in sectionals...it eliminated Carmel from basketball and now Mundelein from softball.

Of note: Round Lake coach Mike Dunn will join Crystal Lake Central's Bill Mack and Dundee-Crown's Bob Carlson in coaching an all-star football game June 20.

Ending on an upbeat: it's only nine weeks until football practice starts.

Mohawks Close In On Second Title

The magic number is two.

Two more wins by the Grayslake Mohawks and the team will have earned its second straight Mike's Memorial Eastern Division championship.

"We're slowly accomplishing some things," manager Tom Hunt said.

The Mohawks will be hoping to notch their second straight win of the season against Winthrop Harbor June 19. The team then hosts Gagewood June 22.

The Mohawks split two games played last week and picked up a forfeit from Park City in a third. Grayslake lost to Arlington Lathoff 7-6 but clubbed Fort Sheridan 10-0.

In the Fort Sheridan win, Scott Scheupp fired a one-hitter as the Mohawks picked up the win.

Grayslake scored early, gaining a 6-0 lead after two

innings. The team scored two in the fourth followed by single runs in the fifth and sixth.

Clint Rodriguez had a perfect three-for-three day and bettered his average to .537 with the effort.

"His hitting is so well balanced. He goes up there with the attitude of, 'I just want to get a hit'," Hunt said of Rodriguez. Rodriguez's stats support the analysis: he has 11 singles, 11 doubles, two triples and five home runs.

Jeff Taylor had a three-for-three day against Fort Sheridan and Steve Ring was three-for-three with four runs-batted-in.

Against Lathoff, Grayslake was led on offense by Jeff Taylor's two-for-two, Scott Schuepp's two for three and Rusty Welch contributed a single.

Graham Fourth

Carmel high jumper Rob Graham finished fourth in the state meet with a 6-7.

Dream 'Scoops' Them With Extra Touches

by GLORIA DAVIS

A basket of warm, bite-size muffins, served with a crock of yummy home-made soup; sandwiches made with delicious home-baked bread and given that slightly different flavor when topped with slices of crunchy cucumbers and a spray of fresh sprouts; water offered in a clear crystal stemmed glass, garnished with a twist of lemon; a succulent slice of home-baked lemon meringue pie; these are just a few of the special touches that has the luncheon crowd in Antioch flocking to Here's the Scoop at noontime.

But why not when the owner of the newly opened luncheon spot on Rte. 83 next to the Antioch Twp. Library, is Peggy Van Patten, long-known in local circles for her culinary expertise.

Peggy, who has been doing catering in the area for awhile, realized a very personal dream, when she opened her luncheon restaurant, attached to the Here's the Scoop ice cream parlor, a few months ago.

She comes by her reputation as "one of the cooks of the world," by treating every morsel she prepares, whether it be everyday dinner family dinner (four children at home), a PTA potluck contribution, a dinner party for friends, or a customer's order, as a singular artistic creation, giving it the attention so deserved.

Peggy has attained what only a few American cooks have, by being one of the finalists in a Pillsbury Cook-Off and even had her recipe for apple crisp published in that event's yearly recipe annual.

The luscious smell of bread or pie baking, conjures thoughts of warmth, coziness and home. That is the atmosphere that surrounds the cooling of Peggy's pastries, ac-

complished by the soft pink, grays and wines of the Scoop's country decor, that includes the special touch of a tiny basket filled with airy silk spring flowers decorating every table.

In fact many customers have commented that lunching at the Scoop is almost like dropping in on Peggy at home and joining her for a bite to eat.

This is just the ticket for lover's of cooking from scratch, since all the things on her menu, from the meats and fish for her sandwiches to her soups and chili, are prepared from fresh ingredients right in the Scoop's kitchen.

The delicate, tea-room-like atmosphere is overridden by the heartiness of the Scoop's food and it is fast becoming one of the favorite places for local businessmen to lunch.

The names of her sandwiches, like her special coffee, are also part of the Scoop's specialness.

Most of the things on her menu are named after family members.

There's "Grandpa's Favorite," an appetite pleasing sandwich made on fresh bread or a croissant, amply filled with sliced fresh cold turkey, Munster cheese, lettuce, thin sliced green peppers, sprouts, tomatoe and mayonaise.

Her hamburgers are made with special spices, her hot dogs rival the famous ones from the Windy City, and her rich taco salad called the Hacienda, will make a native Mexican's mouth water.

Her smallest salad is tagged, "Peter Rabbit's Lunch."

To add to the already heavy country atmosphere, The Tulip Patch Gift Shop is just upstairs, there for a browser's dessert.

The Scoop is open only for lunch, Mondays through Saturdays from 11 a.m. to 2 p.m.

The rest of Peggy's new venture is the ice cream parlor that features a zillion flavors of ice cream, open from 11 a.m. to 10 p.m. daily, 11 to 11 on Saturday and 2 to 10 p.m. on Sundays.

The Scoop's location is a great one for selling ice cream, being right next to the library and the Little League baseball diamonds, and not far from the popular Antioch Aqua Center.

A special touch here is the tiny baby ice cream cone (about the size of the candy marshmallow ones), great for the tots, eliminating the sticky mess most melting ice cream cones make on children's clothing.

But this special is not relegated to the children alone, many adults find those few bites the small cone means, are just enough to top off a good homemade meal.

Ferguson Highlights Lakefront Festival

National recording and performance artist Maynard Ferguson will be the headlining act of the 1987 Waukegan Lakefront Festival on Sunday, Aug. 9.

Ferguson, a 40-year jazz trumpeter, is touring with his new band, High Voltage. His 61st album, "Maynard Ferguson and High Voltage," is due to come out this month. Between touring and recording, Ferguson still finds time for his college and high school music clinics.

"We hope to please a wide range of people with Maynard Ferguson, since his music will be both jazz, electric and familiar tunes such

as the theme from 'Rocky,'" stated Debra Paravonian, Festival director.

Other festival entertainment includes Big Twist and the Mellow Fellows, the Chicago-based R&B band; 4 Guys Standing Around Singing, an up-and-coming new group noted for their "acapella soft rock"; and Banjo Buddies Dixieland Band, a bluegrass-country band which has opened for big names such as Bill Cosby.

For more information on the festival, its food and attractions, call (312)360-9000, ext. 513.

The Wake Of Jamey Foster

Will people talk about you when you're dead? What will they say? Well, people talk about Jamey Foster and what they say makes for great theatre!

The performance of "The Wake Of Jamey Foster" at the historic Woodstock Opera House in Woodstock, Illinois is where you'll have to go to hear what they are saying. Written by Beth Henley and directed by Robert Perillo, "The Wake" marks, in my opinion, the best in local theatre available here in Northern Illinois. This professional production compliments everyone who was involved with the presentation. Costumes were by David Zyla & scenic designer was Tom Kamm. Starring were Angela Vitale as Marshael Foster, Mark Piatelli as Leon Darnell, Amy McDonald as Katty Foster, Peter Schmitz as Wayne Foster, Deirdre Lovejoy as Collard Darnell, Kerry Thompson as Pixrose Wilson and Joseph O'Brien as Brockler Slade.

Characters brought together by Jamey's death are a younger brother and his wife, Jamey's wife, a sister-in-law, her brother, his girl friend and a friend of the family attempt to fill the hole left by his death in their lives. This is a story built from characterization and these characters are truly

"characters". By the end of this production, one may find oneself at home in the set that is effectively the house where all the action takes place. Like those in our own families, we grow to understand, if not fully accept these people and their motives. Who was Jamey Foster? We don't know. All we are left with, as these characters are, is the combined memory of what they perceived him to be or not be. But the more these people brought together by a death speak of the departed, the more we and they learn of the living. Such is life and death.

The June 12th performance of "The Wake Of Jamey Foster" at the Woodstock Opera House was a double delight. The night brought to light two stars, the play of course, but also the star that is the historic Woodstock Opera House itself. The Northern Illinois area is blessed with this fine structure, perhaps the finest environment in which to view a small production, be it dramatic or musical, in the entire area. Located in the Woodstock town center off a very lovely town square, the trip to that not-so-far-off place is more than worth it. The play "The Wake Of Jamey Foster" is scheduled to run until Aug. 19. For more information contact the Woodstock Opera House.

'The Wake' In Woodstock

A scene from "The Wake Of Jamey Foster" being performed at the Woodstock Opera House shows the action at the wake. Pictured from left to right in the foreground are Joseph O'Brien as Brockler Slade, Mark Piatelli as Leon Darnell and Peter Schmitz as Wayne Foster. In the background from left to right are Deirdre Lovejoy as Collard Darnell, Kerry Thompson as Pixrose Wilson, Angela Vitale as Marshael Foster and Amy McDonald as Katty Foster.

Feature Doug And Bonnie In Final Adler Center Concert

The David Adler Cultural Center's final concert of the 1986-87 season will feature traditional music played and sung by Doug and Bonnie Isaacson-Miller. With guitar, banjo, autoharp, fiddle and voices, they perform homemade and "heartmade" music. Their material includes Midwestern, Illinois and historic songs and tunes spanning more than 200 years of American history.

Opening both shows will be Stu Halliday, another Adler favorite, playing traditional and contemporary folk music on guitar and banjo. Concert admission is \$5 for adults, \$4.50 for members, \$2 senior citizens and children

six to 12, and free for children under six.

The David Adler Cultural Center, 1700 N. Milwaukee Ave., Libertyville, is a nonprofit organization. For more information call (312) 367-0707.

Summer Celebration Offers Entertainment For All Tastes

Combine five outstanding nightly performances with a state fair-quality carnival midway, food fest, free outdoor stage entertainment and a \$2 admission to the opening night arena—that's the kickoff of Rosemont Horizon's Summer Celebration '87, a family fun fest set for June 17 through 21.

Summer Celebration '87, presented by the Chicago Sun-Times, will open with a return engagement of the World Wrestling Federation (WWF) professional wrestling, presented by Coca Cola.

Tickets for WWF wrestling, which begins at 7:30 p.m., will be sold for only \$2. The performance will feature matches between Siva Afi and Cowboy Bob Orton, Leaping Lanny Poffo versus Iron Mike Sharp, and the Alaskans versus Tommie Sharp and Dusty Wolf. There will also be a midget match and ladies match.

Other star-studded shows include Joe Walsh and Steve Dahl-Gary Meier-Teenage Radiation on June 18; Willie Nelson and Family with special guest John Anderson, sponsored by US99 radio, on June 19; the Chicago debut of Arena Football, as the Bruisers take on the Denver Dynamite on June 20; and Aretha Franklin in concert, presented by WGN Radio, on June 21.

All shows are at 7:30 p.m., except for Arena Football, which is at 8 p.m. Ticket prices are: Joe Walsh, \$14; Willie Nelson, \$12 to \$14; Arena Football, \$7.50 to \$15; and Aretha Franklin, \$14.

Tickets are available at the Rosemont Horizon Box Office and at all Chicagoland TicketMaster ticket centers. To charge tickets to Visa or MasterCard, call (312) 559-1212.

It's Christmas In July For Real At Story House

by GLORIA DAVIS

Christmas is the favorite holiday of many people, so enamored are they by the tinsely, glittery and gifty atmosphere, that thoughts of Yuletide can come anytime of the year as far as they are concerned.

These Christmas lovers are myriad and for them the Christmas Tree Story House Museum in Kenosha is just what Santa ordered.

For the 25th year, starting on July 1 and running until Jan. 15, 1988, a spectacular array made up of 200 decorated Christmas trees, nestled among a gigantic display of American accoutrements and furnishings, will be on display at the Christmas Museum at 3929 80th St., Kenosha.

Some of the trees are just plain fantastically gorgeous, others nostalgic and some even whimsical. All carry apropos names like "Daddy's Sally," "Tiny Tots and Lollypops," "Christmas Critter," "Christ-

mas Pearls," "Unicorn Tree," "Holy Spirit Tree," and "Friendship Tree."

This extravaganza that exudes all the familiar sights, sounds and even smells of Christmas entails the use of thousands of lights, a tremendous ornament collection, miles and miles of Christmas garland and glitter and Yuletide festoons galore. Kris Kringle's Christmas Shop right on the grounds is another added holiday attraction.

"Christmas in July" brought about by the 25th Anniversary Christmas Extravaganza, will be open to the public, tours at 1, 2 and 3 p.m., Tuesday through Sunday.

The donation for admission is \$5.50 for adults, \$4.50 for seniors, \$3.50 for students, children six through 12, \$2, and younger children will be admitted free.

Reservations are required for those interested in group rates for a museum-luncheon theater package. Call (414) 697-XMAS for reservations and more information.

At Summer Celebration

Aretha Franklin will be in concert presented by WGN Radio during the Summer Celebration '87 at Rosemont Horizon. She will appear on Sunday, June 21. Tickets are \$14.

ROCK TRACKS

By Rob Ferrus

Diana Ross has recorded a song written for her by Simply Red's Mick Hucknall for her new LP: "Red Hot Rhythm and Blues." Ross, who is reportedly a Hucknall fan, requested the song and then dropped into London's RAK studio to meet the band in December while Simply Red was finishing its new album, "Men And Women."

The song Mick wrote for her entitled "Shine," which also appears on Simply Red's new album, is one of the few the British singer has attempted from a female point of view for obvious reasons. Hucknall was honored that Ms. Ross would be interested in one of his songs because, after all, the first record he ever bought as a child was one of hers.

Pseudo Echo's new release on RCA Records, "Love An Adventure," looks to be their stepping stone to worldwide recognition as well as a milestone hybrid of dance/rock in the style of a Rod Stewart or a Mick Jagger. Although Pseudo Echo originated in Australia, their aspirations lie beyond the Great Down Under. "The music on this record is written for everyone," says Brian Canham, the group's 24-year-old lead singer and guitarist. "It's suitable for dance, but it's also rock. I tried to get as wide a scope as I could with the material. I was really trying to reach out."

The two most prominent bands in street music today will join for a tour that's sure to set new standards in rowdiness. Run-DMC will join The Beastie Boys for a forty-city summer tour to be kicked off June 12th in Hawaii. Aerosmith's Steven Tyler and Joe Perry are scheduled to show up at those first concerts.

Biking Benefit Will Travel Through County

Anyone looking for a unique way to discover the beauty of Illinois should consider BAMMI (Bicycle Across the Magnificent Miles of Illinois), a week-long bicycle tour traveling through some of the most scenic cities, towns and roads of Illinois.

Sponsored by the Illinois Credit Union League and benefiting the American Lung Assn., the sixth annual BAMMI will travel "north by northwest," then south, spanning 450 miles of Illinois.

Originating in downtown Chicago on Aug. 2, bicyclists will travel to Antioch, Rockford, Mt. Carroll, Moline, Galesburg and Nauvoo, ending in Quincy on Aug. 8. Five hundred

participants are expected to join this "vacation on wheels."

Providing support to the 500 bicyclists is the major role of BAMMI sponsor, the Illinois Credit Union League. Credit union volunteers give assistance and encouragement to participants by organizing overnight stops, catering, entertainment, rest stops and accommodations for participants.

Bicyclists travel 50 to 70 miles per day, enjoying scenery unique to Illinois and the Midwest. For an entry fee of \$140, cyclists receive seven breakfasts and dinners, two daily rest stops, camping, on-the-route medical and maintenance support and new friendships to last a lifetime.

Along with the week-long ride, day rides are offered through the local credit unions and the Illinois Credit Union League. For a \$10 entry fee, day riders receive the official BAMMI t-shirt, route instructions and two rest stops.

Having its roots based in volunteers, the credit unions provide support throughout the week to assist the American Lung Assn. Cyclists collect pledges for each mile they ride on BAMMI. All funds contributed are designated for the prevention and control of lung disease through medical research.

For more information on the week-long tour or the day rides, contact the Illinois Credit Union League at (800)942-7124; or through local credit union representatives Gil Thornborough of the Highland Park Employees Federal Credit Union, (312)432-0800, or Ron Carlson of the Lake County Postal Credit Union at (312)623-9717.

G'Day Mate

The first receivers of telephone calls cried out "Ahoy-ahoy" rather than the later greeting of "Hello."

At Midlane

Appearing on June 19 and 20, at Midlane Country Club on Yorkhouse Rd. in Wadsworth, is Mike Miglio in a one-man show during which he plays several instruments. For more information call (312)360-0050.

Steve And Gary

Radio fans are expected to crowd to Rosemont Horizon's Summer Celebration when Steve Dahl, left, and Gary Meier will appear with Joe Walsh and Teenage Radiation at 7:30 p.m., on Thursday, June 18.

Stagefright Prevention

Parents, teachers and coaches who work with young children can help them overcome fear of being in front of an audience by enrolling in "Speakeasy: Preventing Stage Fright in Children" at the College of Lake County. The course is offered on Wednesday, June 24, or Tuesday, July 21, from 7 to 9 p.m. on the Grayslake campus. Communications teacher Virginia DeWyze, instructor for the course, has 18 years' experience helping people overcome stage fright. Course fee is \$5. To register, call (312)223-6601, ext. 616.

Rough It!

Some studies suggest that certain dietary factors—such as eating more fresh fruits, vegetables and whole grain cereals—may decrease the risk of colon cancer, reports the American Cancer Society. Eating less fat and avoiding obesity may also lessen your risk of developing cancer of the colon.

Golf Classic To Tee Off

Ray Bernard, retired chairman of the board of the Bernard Auto Group, will be on hand Monday, Sept. 14, to hand over the keys of a sporty new Chevrolet Sprint to the prize winner at the Celebrity Golf Classic.

Each golfer participating in the event will have three chances as part of the tee prize package.

Second prize is a \$1,500 fox jacket donated by the Mink Barn in Union. An original oil painting by Emily Miller, valued at \$1,000 and donated by Don and Dorothy Cameron, is third prize.

All proceeds from the Celebrity Golf Classic will go toward the purchase of a new Acuson Ultrasound unit for the Medical Center of Lake County. Ultrasound is commonly used to monitor fetal development, but is also used for the detection of tumors, lesions and organ abnormalities in the non-pregnant patient.

Reservations for the Classic, to be held this year at the Pine Meadow Golf Course in Mundelein, are still available by calling (312)362-2900, ext. 5275.

Strawberries Galore Coming To Richmond

Strawberries, those delicious, mouth-watering fruits, will take center stage June 27 when Richmond unfurls its annual strawberry fest.

This year's event, set for

downtown, is sponsored by the Richmond Merchants Association, said Barbara Krause, president.

Formerly, the event was sponsored by the Pioneers, a senior citizens group.

Kinetic Theater

"What About Luv," the musical comedy version of long-running comedy hit "Luv", will be presented by the Kinetic Theater Co., Skokie, from June 25 through Aug. 2. For information call (312) 677-1460.

Parents' Group

A free support group for parents of adolescents with substance abuse problems meets from 6:30 to 9 p.m. on Mondays at 1113 Greenwood, Waukegan. An hour of educational programming on substance abuse issues is followed by a support group session. Prevention coordinator Joyce Millman is moderator. For more information, call Millman at (312) 244-4434.

Lambs Will Go Country With Annual Jamboree

Get ready for the Lambs Annual Country Jamboree Hoopla on Sunday, July 12, beginning at 11 a.m.

Sponsored by Pepsi, Coors and the Illinois Telephone Pioneers of America, the Lambs Country Jamboree will once again feature country music stars, gourmet food and a variety of summer entertainment for the entire family.

The Association will headline Sunday's Jamboree, performing their popular oldies. Also included in the line-up of stars are Jump in the Saddle, performing "The Curly Shuffle," J.D. Bell and the Silver Spurs Band, Crossfire and Johnny Elders, and the Midnight Cowboys.

Both admission and parking are free, although a \$2 donation at the gate will be greatly appreciated. Proceeds directly benefit The Lambs, a non-profit vocational and residential community for mentally retarded adults. Additional parking will be available in parking lots of surrounding businesses where free shuttle bus service will be provided to and from The Lambs' grounds, located at the junction of I-94 and Rte. 176 in Libertyville.

The Lambs Country Inn will be serving a variety of barbecued specialties including ribs, chicken and burgers, all at reduced celebration prices. The Lambs Snack Shop will also serve sandwiches. Plenty of cold beer and pop will be available; Jamboree-goers are asked not to bring any coolers or ice chests.

All of The Lambs Country Shops, including a card and gift shop, a country store, children's farmyard and petting zoo, ice cream parlour, pet shop, restaurant and thrift shop. For additional information, call (312) 362-6774.

Seek Photo Ideas

If your club or organization is planning a special event that lends itself to photo coverage, call the Lakeland Newspaper editorial dept. at (312) 223-8161 to arrange a photographer.

To Host Musical Fest

Leave the high-powered compact disc player behind and take a stroll down a musical memory lane at Seven Acres Antique Village and Museum in Union June 13 and 14 during the annual Antique Music Fair.

If old-fashioned photographs, 78 RPM records, hand cranking roller organs and antique music boxes are on your shopping list of collectibles, the Antique Music Fair will be a shopper's paradise. Also featured at the two-day showcase will be vintage radios, all varieties of collectible records, sheet music, literature and advertising items—plus the nation's biggest selection of old time Edison phonographs.

More than 150 exhibitors from around the world will be on hand showing priceless Thomas Edison artifacts, relic recordings, and extremely rare collections of unusual phonograph models, parts, accessories and other memorabilia.

Seven Acres Antique Village and Museum is located near the Northwest Tollway (I-90)

"Many people in the area really look forward to the strawberry fest," Krause said, adding, "it may be something that will grow."

Strawberry shortcakes will please the crowds and the sale of fresh strawberries will allow people to prepare their own special dishes.

Muffins will also be available and there will be a barbecue, too.

Site will be the vacant lot next to the public parking lot on Broadway.

"Come on out and enjoy old-fashioned strawberry shortcake," Krause said in extending a cordial invitation to the public.

What's Happening ...

Mothers Of Twins

Lake County Mothers of Twins Club invites all mothers of multiple births to its meeting at 7:30 p.m. on Thursday, June 18, at the Warren-Newport Public Library, 224 N. O'Plaine Rd., Gurnee. Topic for the meeting will be "Fun Things to do With the Kids This Summer." For more information, call Linda Hung at (312)356-5854.

Youth Services Awards

The public is invited to the Youth Services Network annual Teen Recognition Awards ceremony at 7 p.m. on Thursday, June 18, at the College of Lake County Atrium. Featured speaker will be W. Clement Stone, recognized nationwide for his business, civic and philanthropic activities and his "positive mental attitude" approach to living and working. Recognition will be given to youths in Lake County who have been nominated for outstanding achievement in the areas of academics and community activities. Music will be provided by various youth groups.

Seek Women's Literature

Kaleidoscope, a women writers' collective at Columbia College in Chicago, is seeking literary works to include in an anthology of minority women's writing to be distributed locally and nationally. A maximum of four poems and prose limited to 10 pages will be considered for inclusion. Only minority women who are residents of the Chicago area are eligible. Entries must be typed double spaced and include name, address, phone number, biographical note and a stamped, self-addressed envelope for return of material, and sent to Kaleidoscope, P.O. Box 64628, Chicago, 60664. Entries must be postmarked by midnight, Aug. 31.

'Battle' Benefit

Sign-up is underway for the "Battle of the Fiesta Stars" slated for Sunday, July 19, as part of McHenry's Fiesta Days. Teams of six men and six women will compete in a variety of events combining minimal athletic ability with lots of laughs. Sponsors can be corporations, taverns, businesses, clubs or groups of individuals. The event, to be held in Petersen Park, will raise funds for the Muscular Dystrophy Assn. Complete details and entry blanks are available at the McHenry Chamber of Commerce office, 1257 N. Green St., from 9 a.m. to 5 p.m. Monday through Friday.

Chain O'Lakes Adelines

The Chain O'Lakes Chorus-Sweet Adelines invite interested women to join them in singing four-part harmony, barbershop style. The chorus meets at 7:30 p.m. on Thursdays in the choral room of Mundelein High School. For more information call (312)356-1245 or (312)622-4251.

Catholic Charities Auction

The second annual Catholic Charities Senior Services Auction will be held from 11 a.m. to 4 p.m. on Sunday, June 28, at the Waukegan Moose Lodge, 2755 Washington St. Items and services donated for the auction include an autographed football from Walter Payton, an autographed Chicago White Sox baseball, theatre and dinner tickets, a chandelier, many gift certificates and much more. Herman Behm will be official auctioneer, with Linda Hess and Judge Hulse assisting. Food and drinks will be available. All proceeds will assist Catholic Charities senior centers in Lake County in providing services to homebound and active older adults.

'Connection' Bike-A-Thon

A bike-a-thon to benefit Connection Telephone Crisis Intervention service is slated for Sunday, Aug. 9. The ride will start at Butler Park in Libertyville and run through gently rolling countryside, where riders will find checkpoints providing light refreshments every five miles. Pledges collected by bikers will benefit Connection Telephone Crisis Intervention and Referral Service, a United Way Agency serving Lake, northern Cook and McHenry Counties. New Schwinn and Raleigh 10-speed bikes and hot air balloon rides (for 12 years old and up) are among the prizes for bikers collecting certain amounts of pledge money. Pledge forms are available from local bicycle shops or by calling Connection, (312)622-3381.

Singles' Volleyball

Outdoor volleyball for singles ages 21 to 38 is held from 7 to 9 p.m. on Tuesdays at Belvidere Park, Belvidere Rd. (Rte. 120) and Lewis Ave., Waukegan. All levels of ability are welcome to this free event, sponsored by the Catholic Alumni Club. For more information or a free newsletter, call (312)762-0735.

Bluebird Workshop

Ryerson Conservation Area near Deerfield will be the site of a bluebird workshop on Sunday, June 21, beginning at 1:30 p.m. Participants will learn about work being done to help re-establish the bluebird population in the area, which is only 10 percent of what it was 50 years ago. Participants should bring a hammer, as they will be able to build a bluebird house to take home. The program will meet at the Visitor's Center at Ryerson, located on Riverwoods Rd. between Half Day and Deerfield Rds. Cost of the workshop is 50 cents for Lake County residents and \$1 for non-residents. Space is limited and reservations are required. Call (312)948-7750.

Environmental Program

A workshop on environmental action will be held at 7 p.m. on Wednesday, June 24, at Ryerson Conservation Area. The program will explore options available—from consumerism to political action—to persons concerned about environmental issues, and the potential each option has for a particular issue. Fee is 50 cents for Lake County residents and \$1 for non-residents. Ryerson Conservation Area is located on Riverwoods Rd. between Half Day and Deerfield Rds. in Deerfield. Register by calling (312)948-7750.

To Push State Fair

Those silly animal puns, which began with "The Days of Swine and Roses" in 1980, will again promote the 1987 Wisconsin State Fair, Aug. 6 through 16.

The 1986 television commercial, which mocked late-night "Greatest Hits" record commercials using animated animals "singing" song title puns, will be updated for use in 1987. The 60-second spot has won several national advertising awards.

Five billboards will feature current hit and old favorite song titles as puns. "Swine on Harvest Moon," "Quack in the Saddle Again," "Start Spreading the Moos," show costumed animals in appropriate settings. "Take A Waddle on the Wild Side" and "The Heart of Rock and Wool" appeal to the younger crowd.

Two additional puns will appear as bus side advertising. "Squeal of Fortune" mimics a popular game show, and "Honk if You Love Cheeses" allows potential fairgoers to register their approval of Wisconsin's dairy products.

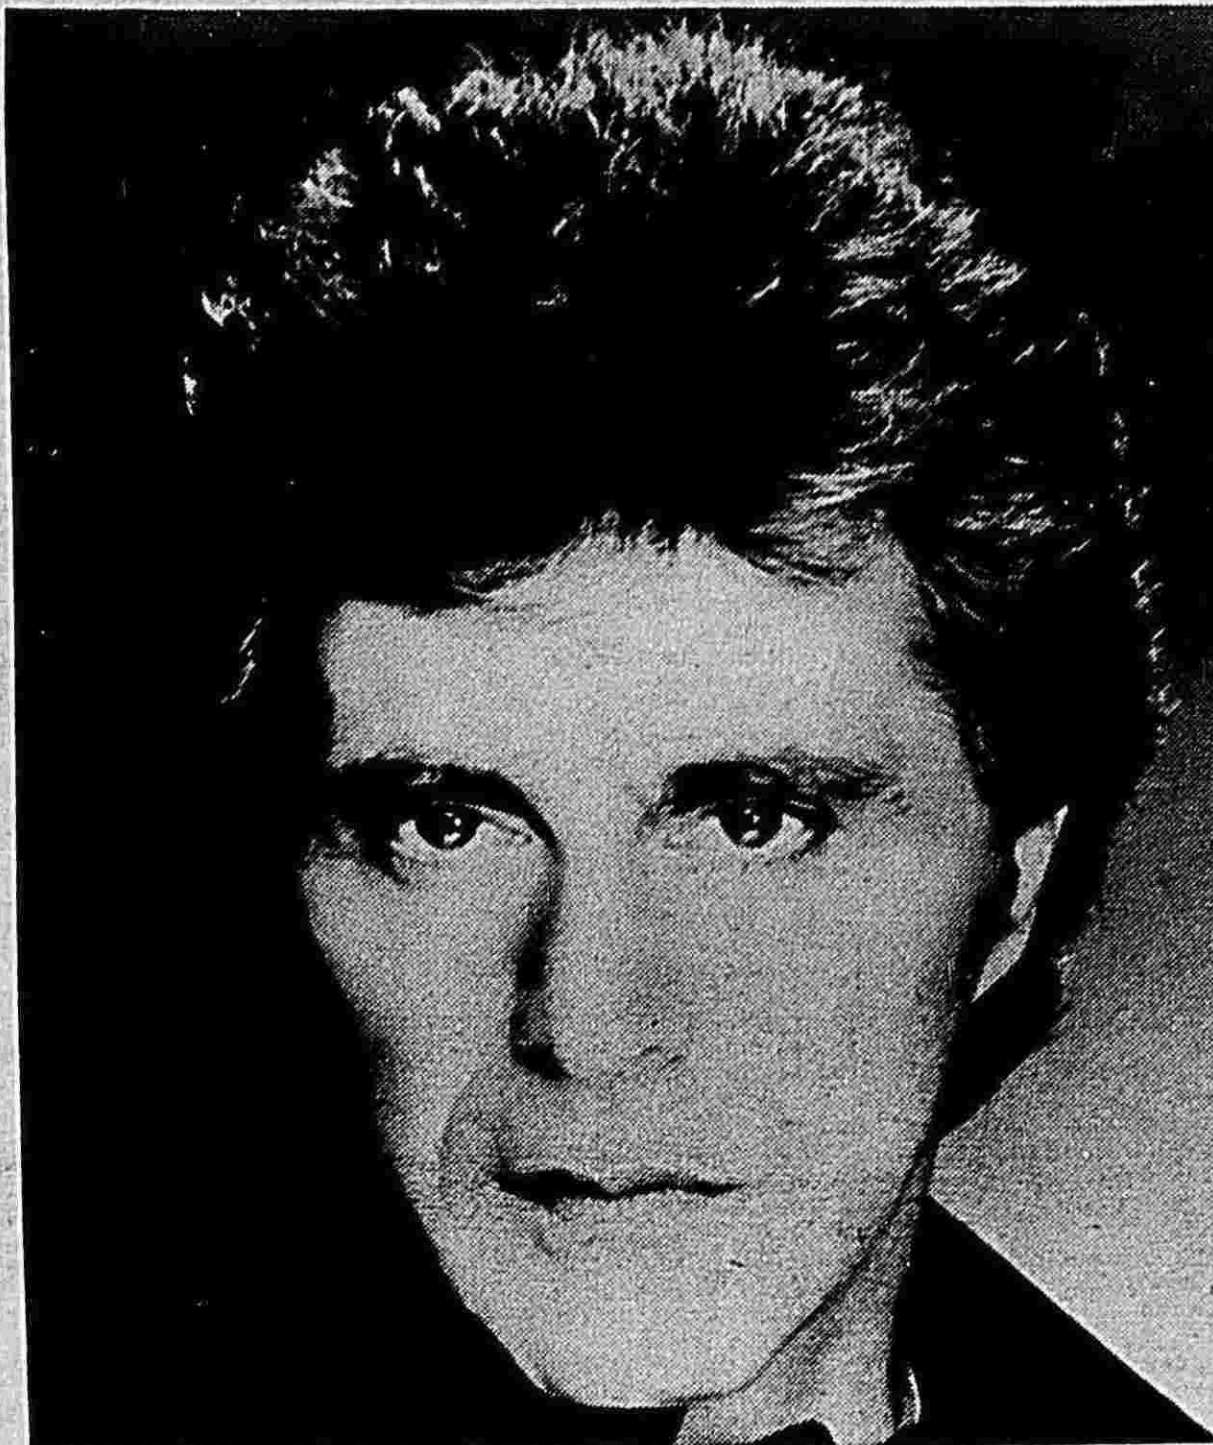

The fair's advertising agency since 1979, William Eisner and Associates, is responsible for some of the clever sayings, but many arrive unsolicited.

Benefit To Help Research

Sports stars, media personalities and other dignitaries will participate in the second annual NutraSweet Classic, a golf and tennis event benefiting Juvenile Diabetes Foundation.

The NutraSweet Classic will be held June 29 at Kemper Lakes Golf Club, Hawthorn Woods. All proceeds from the event, being underwritten by The NutraSweet Company of Skokie, will go toward diabetes research.

"It is an honor to be associated with such a worthwhile event," Bears tight end Emery Moorehead said. "Over 11 million Americans are affected by diabetes, and researchers

Big Girls Still Don't Cry

Frankie Valli and the Four Seasons will be appearing at Holiday Star Theater, Merrillville, Ind. along with the Four Tops at 7 and 10:30 p.m., on Saturday, June 20. Tickets available at box office and through Ticketron.

Coolin' Classics

Kevin Gainer will bring his foot-tapping, soul satisfying wit and painistic mastery to the Benny Center, Goodfellow Hall, at 8 p.m., on Saturday, June 27. Tickets are \$10.

NEED SOME BODY WORK?

Could your low back pain or hip pain be caused by a SHORT LEG SYNDROME? Thousands of people have short leg syndrome...one leg shorter than the other due to muscle imbalance, spinal misalignment, or pelvic bone displacement. Short leg syndrome can be the cause of backache, headache, neck pain, hip pain, shoulder pain, numbness...and other disorders. A simple test can indicate whether your pain and discomfort could be due to a short leg...and whether chiropractic might be the way to get back to normal.

One weekend last spring
through our Maternity Center
we showed 3 soon-to-be siblings
how to hold a new baby,
helped an out-of-practice
grandpa deal with a diaper,
taught 6 'expecting' couples
about transition breathing
...and revived one very excited,
first-time father.

It was a labor of love.

Nine months can seem like nine years when you're waiting to have a baby. And while you can't plan your delivery date, you can prepare for it.

At Northern Illinois Medical Center, we offer an on-going series of programs and classes that help you understand and enjoy every aspect of the birth experience—from the initial stages of your pregnancy all the way through to your baby's first birthday.

And in addition to taking care of our new 'moms' by providing the latest in

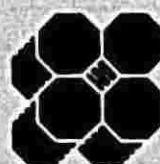

obstetric information, birthing plans and medical services, we also have special sessions and support groups designed to prepare the rest of the family for the new arrival.

Especially first-time fathers.

Because we know that newborns can take your breath away... in more ways than one.

For more information about NIMC's Maternity Center, write to us... or call us

at 1-815-344-5000, ext. 4000. If you would like the name of a physician near you, call our REFERRAL LINE: 1-800-654-NIMC.

Condell Hospital Assn. Breaks Ground For Center

The Condell Memorial Hospital Assn. held its annual meeting, providing the association with an opportunity to review achievements during 1986 and plans for the hospital's future growth and development.

The ground-breaking ceremonies for the Centre, Club, the hospital's new health institute and fitness center, highlighted the annual meeting.

The newly elected officers of Condell Memorial Hospital were announced at an association meeting.

Louis W. Schumm of Libertyville, a member of the board since 1980, will serve again as chairman of the board. He is the retired president of Ekco Products, Inc., Wheeling.

Serving his second term as board member, Howard H. Greene, Jr., of Libertyville, will continue as vice chairman of buildings and

grounds. He is president of the Greenhill Corp. of Libertyville.

Fred Grossman of Lake Bluff will continue as vice chairman of planning. Appointed to the board in 1982, he is vice president of new products and new markets for American Hospital Supply in McGaw Park.

A member of the board since 1980, Julius Marks, Jr., of Libertyville will serve as treasurer. Marks is president of Libertyville Lincoln-Mercury. Eugene P. Alfonsin of Libertyville will continue as board secretary. In his second term as board member, Alfonsin is vice president of major systems of Centel in Chicago.

Other board members are Richard J. Hedberg, Libertyville, senior vice president of administration and development, fertilizer group, International Minerals and Chemical

Corp. of Northbrook; and C. David Sullivan, Libertyville, vice president, Lumbermens Insurance Co., Kemper Group of Long Grove.

Also serving on the board are Fawzia Batti, MD, president of the hospital's medical staff; Sue Milligan

of Libertyville, president of the Condell Memorial Hospital Auxiliary; and Eugene Pritchard, president and chief operating officer of the hospital.

Newly appointed members of the board are W.V. Henderson of Libertyville,

vice president of Allstate Insurance of Northbrook; James Creath, MD, and Mark Fields, MD, both members of the hospital's medical staff.

The hospital also honored three retiring board members, who each have

served since 1978: Dorothy Allen, retired chairman of the board of F.H. Noble & Co., Mundelein; John J. Ring, MD, and Wallace Salzman, MD, both members of the hospital's medical staff.

Scavenger Hunt On Wheels June 20

The first annual mission impossible road rally will be held Saturday, June 20, at the Lake Villa Twp. Library on Rt. 132 at Deep Lake Rd.

Set to start at 7 p.m., the rally is not a race against time, but a scavenger hunt on wheels.

Each participant will be briefed on the rules and given a map of the route.

Each car should have at least two people, a driver and a navigator, but the more, the merrier.

Starting at 7:30 p.m., each car will leave the starting line one car at a time.

Along the route, participants will be busy

collecting clues. They will have until midnight to finish.

Cost will be \$5 per person. The first 30 cars which arrive will be able to participate and participants must be at least 18 years old.

Rally sponsor is the Region 6 Democratic Organization.

A flashlight, pencil, clipboard, maps, marriage counselor and change for the telephone in case you get lost, are essential.

First, second, third and last place will be awarded. Scores will be based on total number of clues and the least number of miles.

Model Planes Rock Peace Of Rural Community

Note: This is the eighth in a series of articles dealing with building and zoning problems.

John and Diane Loughlin moved to the country thinking they would enjoy the peace and quiet. They were wrong.

It all started last year when a model airplane club began holding meets in a nearby field.

The Loughlins, who live in the Forest Gardens Sub-

division in Wauconda Twp., appealed to the county building and zoning department and it responded.

Dave Moulton of that department investigated and helped stop the club's operation near the Loughlins.

"He was instrumental in stopping them and they ceased until the end of last summer. But they started again this spring."

Why? Loughlin claims that the county ordinance was amended to allow the club to hold air shows on three or more acres zoned agricultural with the owner's consent.

Loughlin said that the zoning board of appeals approved the amendment.

But he said that to his knowledge, only a legal notice told news of the proposed amendment. "A lot of us would have been at the

meeting (on the amendment) if we had any inkling of it," he said.

Still, the amendment slipped by them and the club resumed its air shows. "To them (club members), it's fun, but to us it's noise and aggravation."

Loughlin said that the planes fly from morning until night on weekends. He

has appealed to the sheriff and again to the building and zoning department, but they say the planes are legal.

Loughlin said that 20-30 people attend the air shows, which include a grandstand. Even a well has been sunk on the property, part of a large field.

Loughlin said that club members claim their noise is

no louder than a lawnmower, but he said that a lawnmower doesn't run continuously.

The Loughlin family has lived 12 years off Rte. 176 and a half mile west of Rte. 12, in an unincorporated area.

"There's nothing we can do to block the noise," he said.

Silent Killer Can Be Controlled

Northern Illinois Medical Center's Cardiac Rehabilitation Supervisor, Ginny Ziemba, is quick to comment on a link between high blood pressure and the patients she sees in the Cardiac Rehabilitation Program, many of whom have already had heart attacks or surgery.

"Nothing hurts," she says of high blood pressure. "You don't know you have high blood pressure. That's when it can be scary. You can walk around thinking you are the perfectly healthy person."

"One out of six of us will have a blood pressure problem in our lives. That's why it's so important to take advantage of blood pressure screenings when there's an opportunity to avoid stroke, kidney damage and heart attack."

One of Ziemba's patients had had high blood pressure for a long time, so long that by the time the problem was discovered, she was already suffering from kidney damage.

"Because of blood pressure medication, exercise and surgical treatment, she has her blood pressure under control," Ziemba said. "She was told by her physician to come into cardiac rehabilitation for a three-month program, and she has already elected to come in for a fourth month. She had to be committed to the program. When someone's working, it takes

a commitment to leave work and go to an exercise program."

All exercises in the cardiac rehabilitation program are done according to individual prescription.

During the initial visit, patients are counseled, surgical scars are examined, an EKG tracing is performed, a check is made of any swelling, and pulse is taken. "Because of

good screening, we have not had any unfortunate incidents," Ziemba said. She finds it alarming that only 10 or 15 percent of those who have suffered cardiac events even go on to a rehabilitation program, although often it is covered in insurance programs.

"There are no symptoms for high blood pressure, and there is no cure, but it can be controlled," Ziemba said.

'Grass Tax' Is Getting Closer

Sen. David N. Barkhausen's proposed "grass tax" on marijuana and other controlled substances is a step closer to enactment after receiving the endorsement of an Illinois House committee this week.

Barkhausen already has Senate approval for his bill (SB1154), which would require drug dealers to buy and affix tax stamps to their supplies of illegal drugs.

"Of course, no one really expects that drug dealers would by the stamps that would be required," Barkhausen said. "The idea is to provide another law enforcement tool to cut down on illegal drugs. With this law in place, drug dealers who are picked up could be charged not only with selling controlled substances, but tax evasion as well."

Barkhausen's bill calls for a heavy tax on relatively small amounts of illegal drugs: \$5 per gram of marijuana, \$250 per gram of controlled substances and \$2,000 for 50 dose units of

controlled substance dosage. Dealers caught with unstamped supplies can be penalized four times the

amount of the unpaid tax. The penalties would stand, whether or not there is a conviction for other drug charges.

"This is one of the strongest measures we could take to halt drug dealing," Barkhausen said. "Dealers are in the business because

of the huge profits they can make, and it would be a much riskier business for them under this legislation."

MHS Concludes Its Anniversary Celebration

The Mundelein Muscrats? In 1961, that's almost what the Mundelein Mustangs became as a nickname for the new high school on Midlothian and Hawley roads. That is until someone came up with a better name of an animal that started with 'M'.

That was just one of the many memories the Class of '62 - the first graduating class from Mundelein High School - remembered during a MHS reunion Saturday. The reunion, which included all MHS classes, topped off the high school's celebration of its 25th anniversary. Events included a parade, a gathering at MHS, and a dance at the Mundelein Holiday Inn.

"It was like something brand new," Stan Berry said.

Berry and some 146 other classmates who were graduated in the first MHS graduating classes had spent three years of their high school careers at Libertyville High School.

The Class of '62 was full of firsts for everything the students did was a first for MHS. The first sports trophy was won by the cross country team; the first home football, basketball and baseball games were played; the first school prom was held.

The first student council included Larry

Dennee as treasurer; Shiren Benjamin as secretary; Brian Thatcher as president and Maria Collins as vice president. Graduating seniors had not only their pictures in the yearbook but a listing of their club and organizations as well. Several yearbooks, old photos and press clippings were on display at MHS.

Also at MHS was a videotaping of Mundelein High's salute in November, 1986 to those who served in Vietnam.

Some members of the Class of '62, which is hosting a 25th year reunion with classmates at Libertyville in October, remarked that the class had to stick together more. The school offered the students more of a chance to participate than they would have at Libertyville, others said.

Sept. 17, 1961 was the fateful day for the first graduating class as it was then when the school was officially opened to the public.

Donald Watts, superintendent at the time and principal Nichol Loren welcomed the crowd.

Twenty-five years later, a building expansion is going on at MHS with an addition of a pool and just like when the high school opened, students, staff and faculty are looking to the future.

Vernon Hills' New Top Cop To Start June 22

The Village of Vernon Hills will have a new police chief June 22.

The village board has named Ralph Winkelhake, a Palatine police chief, as its new top cop.

Vernon Hills Village Manager Larry Laschen said Winkelhake beat out a field of 50 candidates. He said the position was not advertised, but candidates found out about the open position through word-of-mouth.

Winkelhake's salary will be \$48,000 a year plus benefits.

"Anytime you get down to the top four or five candidates you look for what your

department needs," Laschen said.

Laschen said Winkelhake has experience on the street as Palatine's deputy chief in charge of operations.

In other Vernon Hills news, Laschen said the village is waiting for a site plan from developers of MIL-60, a \$400 million project

to be developed by Cadillac Fairview Corp. Ltd. The development would be located at the southwest corner of Milwaukee Ave. and Rte. 60.
